

ORDINANCE NO. 19-0003

AN ORDINANCE OF THE CITY OF MANHATTAN BEACH AMENDING THE MANHATTAN BEACH MUNICIPAL CODE TO EXPAND THE ENVIRONMENTAL REGULATIONS IN CHAPTER 5.80 TO REGULATE BALLOONS AND ADDITIONAL POLYSTYRENE PRODUCTS

RECITALS

- A. The California Legislature has declared that littered plastic products have caused and continue to cause significant environmental harm and burdened local governments with significant environmental cleanup costs (California Public Resources Code Section 42355).
- B. On September 10, 2013, the City Council of Manhattan Beach ("City") adopted Ordinance No. 13-0009 prohibiting the use of polystyrene products by food vendors, including single-use, disposable products such as plates, bowls, trays, wrappers, platters, cartons, condiment containers, cups or drink ware, and any other container in which prepared foods are placed for consumption.
- C. On April 1, 2014, the City Council adopted Ordinance No. 14-0003, which expanded the regulations in Ordinance No. 13-0009 to include a prohibition on the distribution and sale of polystyrene straws, cup lids, and utensils in connection with the preparation of prepared food and the retail sale of polystyrene food service ware and ice chests.
- D. On June 5, 2018, the City Council adopted Ordinance No. 18-0016 to regulate single-use plastic products that are harmful to the environment including single-use plastic straws, utensils, and stirrers.
- E. Balloons and plastic pollution, including polystyrene and single-use products raise environmental and health concerns related to water pollution, the welfare of marine life, and human health.
- F. These environmental regulations reduce single-use waste; reduce greenhouse gas emissions; reduce the distribution of disposable single-use plastic; reduce polystyrene use and litter in the City; keep plastic waste from landfills; and reduce balloon litter threats to natural ecosystems and ocean wildlife. The additional regulations hereinafter will further serve the City's goal of reducing litter.
- G. The following amendment to Chapter 5.80 includes many restatements of existing Code provisions, albeit renumbered or re-lettered, for the purpose of consolidation and clarity. Such restatements of existing law are not intended, and shall not be construed, as the adoption of new provisions.

THE CITY COUNCIL OF THE CITY OF MANHATTAN BEACH HEREBY ORDAINS AS FOLLOWS:

SECTION 1. CEQA Finding. This Ordinance is exempt from the environmental review requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15061 (b)(3) of Title 14 of the California Code of Regulations because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment. Further, the proposed Ordinance is exempt from CEQA on the separate and independent ground that it is an action of a regulatory agency for the protection of the environment because it will strengthen the City's regulations regarding the distribution and sale of single-use plastic (including polystyrene) products that harm the environment. Thus, this Ordinance is categorically exempt from the requirements of CEQA under Section 15308 of Title 14 of the California Code of Regulations as an action by a regulatory agency for the protection of the environment.

SECTION 2. The City Council hereby amends Chapter 5.80 to read as follows:
