LOWER PIER PARKING LOT (SOUTH SIDE)

DIRECTION NEEDED

Staff recommends that the City Council consider the following and provide direction:

1. Should the City fund the work necessary to create an ADA-compliant parking space in the Lower Pier Parking Lot?
2. If yes, City Council may:
 - a) Appropriate \$30,000 from the CIP fund for the work to be completed in conjunction with the Citywide Concrete Repairs Project; or
 - b) Appropriate \$50,000 from the CIP fund to expedite the work as a stand-alone project.
3. If no, SBBC would have to complete the work.
