Supporters/Opponents Guidelines

Assembly Bill No. 1416, enacted on September 29, 2022, amended Elections Code sections 303, 9050, 9051, 9053, 13282 and added 9170. Specifically, Elections Code section 9170 requires the inclusion of a list of supporters and opponents (i.e., nonprofit organizations, associations, businesses, or individuals) to follow the text of the condensed ballot measure title and summary, provided these entities and/or individuals meet the code requirements to be included. The criteria for the ballot label are as follows:

- Listing is limited to 125 characters (**Spaces, Commas, Semicolons, and other characters are included in the count**).
- Listing is limited to five (5) Supporters and or Opponents.
- To be within the limit of 125 characters, names may be shortened, and acronyms may be used (**Please note if the list provided is over the character limit, the names may require shortening with acronyms, abbreviations, or removal of certain words from the names submitted.**).
- The list provided must be in ranking order from 1 to 5 (**This will ensure names with high ranking are not removed if adjustments are required to meet the 125-character limit**).
- Measures that share Counties shall not include a list of supporters or Opponents if the other County with the same measure does not include a list of supporters or opponents.
- If a listing is not provided or none meet the requirements, "**None Submitted**" will be listed in place of names.

The sample below shows how the ballot text (label), supporters, and opponents will appear on both the official and sample ballots. The word count displayed by the software Word is also included.

Individuals who are elected officials or former elected officials may be listed with their official's title and "former" as applicable. Individuals who are not current or former elected officials and who do not represent any association, nonprofit organization, or business listed as a supporter or opponent may only have their first name, last name, and if applicable, an honorific (e.g., "Dr.," "M.D.," "Ph.D.") listed, but without other title or designation. Please see additional requirements on the following page for Election Code section 9170. If you do not want to add a list of supporters or opponents to the "Official Ballot Measure Label" then "None submitted" will have to be added pursuant to Election Code section 9170. If Author(s) of the Direct Argument in Favor and the Direct Argument Against the ballot measure do not want to have a LIST OF SUPPORTERS or a LIST OF OPPONENTS listed, then the Author(s) must write the words "NONE SUBMITTED" in this area of the form. The LIST OF SUPPORTERS can only be the Authors of the Direct Argument in Favor of the ballot measure. The LIST OF OPPONENTS can only be the Authors of the Direct Argument Against the ballot measure. If you are over the 125 character limit, the elections official will allow you to make changes up until the deadline for filing of the direct argument for or against the measure. If the measure is shared between counties, the counties shall not include the ballot label unless both counties have authorized to this option. NOTE: Only associations, nonprofit organizations, or businesses not originally created as a committee described in Government Code section 82013 and that have been in existence for at least 4 years can be included in the list of supporters or list of opponents.
