1400 Highland Avenue  
Manhattan Beach, CA 90266

Attention: Rudy Hurtado

Subject: Block35, Well 11A, Well 15, and MWD PLC Upgrade

Mr. Hurtado:

Control Automation Design (CAD) is pleased to have the opportunity to work with you and your staff.

Our Scope of Work will be to furnish the PLC Hardware for Block 35, Well 11A, Well 15, and MWD. We will also do the programming, test, and start-up.

The installation of the PLC will be by the City.

The costs for the upgrades are as follows:

Description	Cost
Block 35	\$27,924.00
Well 11A	\$15,640.00
Well 15	\$15,640.00
MWD	\$19,475.00
Sales Tax (9.5%)	\$3,015.30
<b>Total (Including Tax)</b>	<b>\$81,694.30</b>

The manufacturer has quoted (28 - 36) weeks lead time. Please note that due to the Supply Chain issue, the time is not guaranteed. Prices quoted are good for (30) days.

If you have any questions, please do not hesitate to call.

Sincerely,

Alice Choi
