(a) Sales tax in 2015 includes a payment to Dewitt that will be reversed and applied towards the prior year during the audit process and closing of the prior year books. Adjusting for the payment, sales tax in 2015 is in line with that of 2014.

(b) The structure of payments for the some of the franchise fees has changed resulting in lower initial revenues at the beginning of the fiscal year as compared to prior years. This revenue will self adjust throughout the year to better align with prior full-year numbers.
