RECITALS

1. Manhattan Beach Local Coastal Program (LCP) Section A.60.160 prohibits medical marijuana dispensaries, which are defined as any facility or location where medical marijuana is cultivated or made available to a qualified patient, a person with an identification card, or a primary caregiver as those terms are defined by state law.
2. In 2015, the California State Legislature enacted the Medical Marijuana Regulation and Safety Act which reinforces that cities may prohibit dispensaries, but requires a city to adopt local land use regulations if that city wants to prohibit or regulate the cultivation of medical marijuana.
3. The City of Manhattan Beach desires to prohibit or regulate the cultivation of medical marijuana.

NOW THEREFORE, THE MANHATTAN BEACH CITY COUNCIL HEREBY ORDAINS AS FOLLOWS:

8. “Primary caregiver” is the individual, designated by a qualified patient or by a person with an identification card, who has consistently assumed responsibility for the housing, health, or safety of that patient or person.

B. Prohibition.

1. Medical marijuana dispensaries are prohibited.

2. Commercial medical marijuana activity of any type or nature is expressly prohibited. No person shall establish, operate, maintain, conduct or allow commercial medical marijuana activity anywhere within the City. This Section is meant to prohibit all activities for which a State license is required pursuant to the MMRSA. Accordingly, the City shall not issue any permit, license or other entitlement for any activity for which a State license is required under the MMRSA.

3. To the extent that it is not already prohibited by subsections 1 and 2 above, indoor and outdoor cultivation of marijuana for commercial or non-commercial purposes is expressly prohibited.

a. Cultivation Exemptions.

(i) A qualified patient or person with an identification card may cultivate small amounts of marijuana cultivation for his or her own personal use, provided the cultivation:

- a. Occurs indoors on the property where the qualified patient/ person with identification card resides.
- b. Occurs indoors in a legally permitted one-family detached dwelling.
- c. Does not exceed twelve marijuana plants.
- d. Is not visible from the exterior of the dwelling.
- e. Shall not adversely affect the health or safety of other persons by creating dust, excessive light, noise, noxious gases, odor, smoke, or other negative impacts.

Section may be enforced by civil action brought by the City, including but not limited to:

1. Injunctive relief.
2. Civil penalties.
3. Nuisance abatement.
3. Recovery of costs and attorney fees incurred in enforcing this Section.”

Section 2. CEQA. Pursuant to the California Environmental Quality Act (“CEQA”), and the City’s local CEQA Guidelines, staff has determined that the proposed code amendments are exempt from the requirements of CEQA. It can be seen with certainty that there is no possibility that the adoption of the code amendments, and the zoning provisions established hereby, may have a significant effect on the environment, because the code amendments will only impose greater limitations on uses allowed in the City, and will thereby serve to eliminate potentially significant adverse environmental impacts. The City Council has reviewed the staff’s determination of exemption and based on its own independent judgment, concurs in staff’s determination that the proposed code amendments are exempt from CEQA. The adoption of the code amendments is therefore not subject to CEQA review pursuant to Title 14, Chapter 3, Section 15061(b)(3) of the California Code of Regulations. A Notice of Exemption will be prepared.

Section 3. Severability. If any sentence, clause, or phrase of this Ordinance is for any reason held to be unconstitutional or otherwise invalid, such decision shall not affect the validity of the remaining provisions of this Ordinance. The City Council hereby declares that it would have passed this Ordinance and each sentence, clause or phrase thereof irrespective of the fact that any one or more sentences, clauses or phrases be declared unconstitutional or otherwise invalid.

Section 4. Savings Clause. Neither the adoption of this Ordinance nor the repeal or amendment by this Ordinance of any ordinance or part or portion of any ordinance previously in effect in the City or within the territory comprising the City, shall in any manner affect the prosecution for the violation of any ordinance, which violation was committed prior to the effective date of this Ordinance, nor be construed as a waiver of any license, fee or penalty or the penal provisions applicable to any violation of such ordinances.

Section 5. Certification. The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause this Ordinance to be published within 15 days after its passage, in accordance with Section 36933 of the Government Code.

Section 6. Effective Date. This Ordinance shall go into effect and be in full force and effect at 12:01 a.m. on the 31st day after its passage.
