In no event shall Consultant be paid more than an annual amount of \$40,000, plus annual CPI increases each year after (the "Maximum Compensation") for such Services.

B. Expenses. City shall only reimburse Consultant for those actual and necessary expenses expressly set forth in **Exhibit B**.

C. Unauthorized Services and Unanticipated Expenses. City will not pay for any services not specified in the Scope of Services, unless the City Council or the City Representative, if applicable, and the Consultant Representative authorize such services in writing prior to Consultant's performance of those services or incurrence of additional expenses. Any additional services authorized by the City Council, or (where authorized) the City Manager shall be compensated at the rates set forth in Exhibit B, or, if not specified, at a rate mutually agreed to by the Parties. At the request of the Consultant, the City Council may, in writing, reimburse Consultant for an unanticipated expense at its actual cost. City shall make payment for additional services and expenses in accordance with Section 4 of this Agreement.

**4. Method of Payment.**

A. Invoices. Consultant shall submit to City an invoice, on a monthly basis, for the Services performed pursuant to this Agreement. Invoices must be submitted to

[invoices@manhattanbeach.gov](mailto:invoices@manhattanbeach.gov) and [revenue@manhattanbeach.gov](mailto:revenue@manhattanbeach.gov). Each invoice shall itemize the Services rendered during the billing period, hourly rates charged, if applicable, and the amount due. City shall review each invoice and notify Consultant in writing within ten Business days of receipt of any disputed invoice amounts.

B. Payment. City shall pay all undisputed invoice amounts within 30 calendar days after receipt up to the Maximum Compensation set forth in Section 3 of this Agreement. City does not pay interest on past due amounts. City shall not withhold federal payroll, state payroll or other taxes, or other similar deductions, from payments made to Consultant. Notwithstanding the preceding sentence, if Consultant is a nonresident of California, City will withhold the amount required by the Franchise Tax Board pursuant to Revenue and Taxation Code Section 18662 and applicable regulations.

C. Audit of Records. Consultant shall make all records, invoices, time cards, cost control sheets and other records maintained by Consultant in connection with this Agreement available during Consultant's regular working hours to City for review and audit by City.

**5. Independent contractor.** Consultant is, and shall at all times remain as to City, a wholly independent contractor. Consultant shall have no power to incur any debt, obligation, or liability on behalf of City. Neither City nor any of its agents shall have control over the conduct of Consultant or any of Consultant's employees, except as set forth in this Agreement. Consultant shall not, at any time, or in any manner, represent that it or any of its officers, agents or employees are in any manner employees of City.

## **6. Information and Documents.**

A. Consultant covenants that all data, reports, documents, discussion, or other information (collectively "Data") developed or received by Consultant or provided for performance of this Agreement are deemed confidential and shall not be disclosed or released by Consultant without prior written authorization by City. City shall grant such authorization if applicable law requires disclosure. Consultant, its officers, employees, agents, or subcontractors shall not without written authorization from the City Manager or unless requested in writing by the City Attorney, voluntarily provide declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement or relating to any project or property located within the City. Response to a subpoena or court order shall not be considered "voluntary," provided Consultant gives City notice of such court order or subpoena.

B. Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed thereunder or with respect to any project or property located

within the City. City may, but has no obligation to, represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, City's right to review any such response does not imply or mean the right by City to control, direct or rewrite the response.

C. All Data required to be furnished to City in connection with this Agreement shall become City's property, and City may use all or any portion of the Data submitted by Consultant as City deems appropriate. Upon completion of, or in the event of termination or suspension of this Agreement, all original documents, designs, drawings, maps, models, computer files containing data generated for the Services, surveys, notes, and other documents prepared in the course of providing the Services shall become City's sole property and may be used, reused or otherwise disposed of by City without Consultant's permission. Consultant may take and retain copies of the written products as desired, but the written products shall not be the subject of a copyright application by Consultant.

D. Consultant's covenants under this Section shall survive the expiration or termination of this Agreement.

**7. Conflicts of Interest.** Consultant and its officers, employees, associates and subcontractors, if any, shall comply with all conflict of interest statutes of the State of California applicable to Consultant's Services under this Agreement, including the Political Reform Act (Gov. Code § 81000, *et seq.*) and Government Code Section 1090. During the term of this Agreement, Consultant may perform similar Services for other clients, but Consultant and its officers, employees, associates and subcontractors shall not, without the City Representative's prior written approval, perform work for another person or entity for whom Consultant is not currently performing work that would require Consultant or one of its officers, employees, associates or subcontractors to abstain from a decision under this Agreement pursuant to a conflict of interest statute. Consultant shall incorporate a clause substantially similar to this Section into any subcontract that Consultant executes in connection with the performance of this Agreement.

**8. Indemnification, Hold Harmless, and Duty to Defend.**

A. Indemnities.

1) To the fullest extent permitted by law, Consultant shall, at its sole cost and expense, defend, hold harmless and indemnify City and its elected officials, officers, attorneys, agents, employees, designated volunteers, successors, assigns and those City agents serving as independent contractors in the role of City officials (collectively "Indemnitees"), from and against any and all damages, costs, expenses, liabilities, claims, demands, causes of action, proceedings, expenses, judgments, penalties, liens, and losses of any nature whatsoever, including fees of accountants, attorneys, or other professionals and all costs associated therewith (collectively

“Liabilities”), in law or equity, whether actual, alleged or threatened, which arise out of, are claimed to arise out of, pertain to, or relate to the acts or omissions of Consultant, its officers, agents, servants, employees, subcontractors, materialmen, consultants or their officers, agents, servants or employees (or any entity or individual that Consultant shall bear the legal liability thereof) in the performance of this Agreement, including the Indemnitees’ active or passive negligence, except for Liabilities arising from the sole negligence or willful misconduct of the Indemnitees as determined by court decision or by the agreement of the Parties. Consultant shall defend the Indemnitees in any action or actions filed in connection with any Liabilities with counsel of the Indemnitees’ choice, and shall pay all costs and expenses, including all attorneys’ fees and experts’ costs actually incurred in connection with such defense. Consultant shall reimburse the Indemnitees for any and all legal expenses and costs incurred by Indemnitees in connection therewith.

2) Consultant shall pay all required taxes on amounts paid to Consultant under this Agreement, and indemnify and hold City harmless from any and all taxes, assessments, penalties, and interest asserted against City by reason of the independent contractor relationship created by this Agreement. Consultant shall fully comply with the workers’ compensation law regarding Consultant and Consultant’s employees. Consultant shall indemnify and hold City harmless from any failure of Consultant to comply with applicable workers’ compensation laws. City may offset against the amount of any fees due to Consultant under this Agreement any amount due to City from Consultant as a result of Consultant’s failure to promptly pay to City any reimbursement or indemnification arising under this subparagraph A.2).

3) Consultant shall obtain executed indemnity agreements with provisions identical to those in this Section from each and every subcontractor or any other person or entity involved by, for, with or on behalf of Consultant in the performance of this Agreement. If Consultant fails to obtain such indemnity obligations, Consultant shall be fully responsible and indemnify, hold harmless and defend the Indemnitees from and against any and all Liabilities at law or in equity, whether actual, alleged or threatened, which arise out of, are claimed to arise out of, pertain to, or relate to the acts or omissions of Consultant’s subcontractor, its officers, agents, servants, employees, subcontractors, materialmen, consultants or their officers, agents, servants or employees (or any entity or individual that Consultant’s subcontractor shall bear the legal liability thereof) in the performance of this Agreement, including the Indemnitees’ active or passive negligence, except for Liabilities arising from the sole negligence or willful misconduct of the Indemnitees as determined by court decision or by the agreement of the Parties.

B. Limitation of Liability. In no event shall either party be liable to the other for any indirect, punitive, special, exemplary, incidental, consequential (including loss of data, revenue, profits, use or other economic advantage) damages arising out of, or in any way connected with this service, even if the party from which damages are being sought or such party’s licensors have been previously advised of the possibility of such damages.

C. Workers' Compensation Acts not Limiting. Consultant's indemnifications and obligations under this Section, or any other provision of this Agreement, shall not be limited by the provisions of any workers' compensation act or similar act. Consultant expressly waives its statutory immunity under such statutes or laws as to City, its officers, agents, employees and volunteers.

D. Insurance Requirements not Limiting. City does not, and shall not, waive any rights that it may possess against Consultant because of the acceptance by City, or the deposit with City, of any insurance policy or certificate required pursuant to this Agreement. The indemnities in this Section shall apply regardless of whether or not any insurance policies are determined to be applicable to the Liabilities, tax, assessment, penalty or interest asserted against City.

E. Survival of Terms. Consultant's indemnifications and obligations under this Section shall survive the expiration or termination of this Agreement.

## **9. Insurance.**

A. Minimum Scope and Limits of Insurance. Consultant shall procure and at all times during the term of this Agreement carry, maintain, and keep in full force and effect, insurance as follows:

1) Commercial General Liability Insurance with a minimum limit of \$2,000,000.00 per occurrence for bodily injury, personal injury and property damage and a general aggregate limit of \$2,000,000.00 per project or location. If Consultant is a limited liability company, the commercial general liability coverage shall be amended so that Consultant and its managers, affiliates, employees, agents and other persons necessary or incidental to its operation are insureds.

2) Automobile Liability Insurance for any owned, non-owned or hired vehicle used in connection with the performance of this Agreement with a combined single limit of \$2,000,000.00 per accident for bodily injury and property damage. If Consultant does not use any owned, non-owned or hired vehicles in the performance of Services under this Agreement, Consultant shall obtain a non-owned auto endorsement to the Commercial General Liability policy required under subparagraph A.1) of this Section.

3) Workers' Compensation Insurance as required by the State of California and Employer's Liability Insurance with a minimum limit of \$1,000,000.00 per accident for bodily injury or disease. If Consultant has no employees while performing Services under this Agreement, workers' compensation policy is not required, but Consultant shall execute a declaration that it has no employees.

4) Technology Professional Liability/Errors and Omissions Insurance with minimum limits of \$2,000,000.00 per claim and in aggregate. Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by the Consultant in this agreement and shall include, but not be limited to, claims involving

infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

- a. The policy shall include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information “property” of the City in the care, custody, or control of the Consultant. If not covered under the Consultant’s liability policy, such “property” coverage of the City may be endorsed onto the Consultant’s Cyber Liability Policy as covered property as follows:
- b. Cyber Liability coverage in an amount sufficient to cover the full replacement value of damage to, alteration of, loss of, or destruction of electronic data and/or information “property” of the City that will be in the care, custody, or control of Consultant.

B. Acceptability of Insurers. The insurance policies required under this Section shall be issued by an insurer authorized to transact insurance in the State of California with a rating of A:VII or better in the latest edition of the A.M. Best Insurance Rating Guide. Self-insurance shall not be considered to comply with the insurance requirements under this Section.

C. Additional Insured. The commercial general and automobile liability policies shall contain an endorsement naming City and its elected and appointed officials, officers, employees, agents and volunteers as additional insureds. This provision shall also apply to any excess/umbrella liability policies.

D. Primary and Non-Contributing. The insurance policies required under this Section shall apply on a primary non-contributing basis in relation to any other insurance or self-insurance available to City. Any insurance or self-insurance maintained by City, its elected and appointed officials, officers, employees, agents or volunteers, shall be in excess of Consultant’s insurance and shall not contribute with it.

E. Consultant’s Waiver of Subrogation. The insurance policies required under this Section shall not prohibit Consultant and Consultant’s employees, agents or subcontractors from waiving the right of subrogation prior to a loss. Consultant hereby waives all rights of subrogation against City.

F. Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by City. At City’s option, Consultant shall

either reduce or eliminate the deductibles or self-insured retentions with respect to City, or Consultant shall procure a bond guaranteeing payment of losses and expenses.

G. Cancellations or Modifications to Coverage. Consultant shall not cancel, reduce or otherwise modify the insurance policies required by this Section during the term of this Agreement. The commercial general and automobile liability policies required under this Agreement shall be endorsed to state that should the issuing insurer cancel the policy before the expiration date, the issuing insurer will endeavor to mail 30 days' prior written notice to City. If any insurance policy required under this Section is canceled or reduced in coverage or limits, Consultant shall, within two Business Days of notice from the insurer, phone, fax or notify City via certified mail, return receipt requested, of the cancellation of or changes to the policy.

H. City Remedy for Noncompliance. If Consultant does not maintain the policies of insurance required under this Section in full force and effect during the term of this Agreement, or in the event any of Consultant's policies do not comply with the requirements under this Section, City may either immediately terminate this Agreement or, if insurance is available at a reasonable cost, City may, but has no duty to, take out the necessary insurance and pay, at Consultant's expense, the premium thereon. Consultant shall promptly reimburse City for any premium paid by City or City may withhold amounts sufficient to pay the premiums from payments due to Consultant.

I. Evidence of Insurance. Prior to the performance of Services under this Agreement, Consultant shall furnish City's Risk Manager with a certificate or certificates of insurance and all original endorsements evidencing and effecting the coverages required under this Section. The endorsements are subject to City's approval. Consultant may provide complete, certified copies of all required insurance policies to City. Consultant shall maintain current endorsements on file with City's Risk Manager. Consultant shall provide proof to City's Risk Manager that insurance policies expiring during the term of this Agreement have been renewed or replaced with other policies providing at least the same coverage. Consultant shall furnish such proof at least two weeks prior to the expiration of the coverages.

J. Indemnity Requirements not Limiting. Procurement of insurance by Consultant shall not be construed as a limitation of Consultant's liability or as full performance of Consultant's duty to indemnify City under Section 8 of this Agreement.

K. Broader Coverage/Higher Limits. If Consultant maintains broader coverage and/or higher limits than the minimums required above, City requires and shall be entitled to the broader coverage and/or the higher limits maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.

L. Subcontractor Insurance Requirements. Consultant shall require each of its subcontractors that perform Services under this Agreement to maintain insurance coverage that meets all of the requirements of this Section.

**10. Mutual Cooperation.**

A. City's Cooperation. City shall provide Consultant with all pertinent Data, documents and other requested information as is reasonably available for Consultant's proper performance of the Services required under this Agreement.

B. Consultant's Cooperation. In the event any claim or action is brought against City relating to Consultant's performance of Services rendered under this Agreement, Consultant shall render any reasonable assistance that City requires.

**11. Records and Inspections.** Consultant shall maintain complete and accurate records with respect to time, costs, expenses, receipts, correspondence, and other such information required by City that relate to the performance of the Services. All such records shall be maintained in accordance with generally accepted accounting principles and shall be clearly identified and readily accessible. Consultant shall provide free access to City, its designees and representatives at reasonable times, and shall allow City to examine and audit the books and records, to make transcripts therefrom as necessary, and to inspect all work, data, documents, proceedings and activities related to this Agreement. Such records, together with supporting documents, shall be maintained for a period of three years after receipt of final payment.

**12. Termination of Agreement.**

A. Right to Terminate. City may terminate this Agreement at any time, at will, for any reason or no reason, after giving written notice to Consultant at least thirty (30) calendar days before the termination is to be effective. Consultant may terminate this Agreement at any time, at will, for any reason or no reason, after giving written notice to City at least sixty (60) calendar days before the termination is to be effective.

B. Obligations upon Termination. Consultant shall cease all work under this Agreement on or before the effective date of termination specified in the notice of termination. In the event of City's termination of this Agreement due to no fault or failure of performance by Consultant, City shall pay Consultant based on the percentage of work satisfactorily performed up to the effective date of termination. In no event shall Consultant be entitled to receive more than the amount that would be paid to Consultant for the full performance of the Services required by this Agreement. Consultant shall have no other claim against City by reason of such termination, including any claim for compensation.

**13. Force Majeure.** Consultant shall not be liable for any failure to perform its obligations under this Agreement if Consultant presents acceptable evidence, in City's reasonable judgment, that such failure was due to acts of God, embargoes, inability to

obtain labor or materials or reasonable substitutes for labor or materials, governmental restrictions, governmental regulations, governmental controls, judicial orders, enemy or hostile governmental action, civil commotion, fire or other casualty, or other causes beyond Consultant’s reasonable control and not due to any act by Consultant.

**14. Default.**

A. Consultant’s failure to comply with the provisions of this Agreement shall constitute a default. In the event that Consultant is in default for cause under the terms of this Agreement, City shall have no obligation or duty to continue compensating Consultant for any work performed after the date of default.

B. In addition to the right to terminate pursuant to Section 12, if the City Manager determines that Consultant is in default in the performance of any of the terms or conditions of this Agreement, City shall serve Consultant with written notice of the default. Consultant shall have ten calendar days after service upon it of the notice in which to cure the default by rendering a satisfactory performance. In the event that Consultant fails to cure its default within such period of time, City may, notwithstanding any other provision of this Agreement, terminate this Agreement without further notice and without prejudice to any other remedy to which it may be entitled at law, in equity or under this Agreement.

**15. Notices.** Any notice, consent, request, demand, bill, invoice, report or other communication required or permitted under this Agreement shall be in writing and conclusively deemed effective: (a) on personal delivery, (b) on confirmed delivery by courier service during Consultant’s and City’s regular business hours, or (c) three Business Days after deposit in the United States mail, by first class mail, postage prepaid, and addressed to the Party to be notified as set forth below:

**16. Non-Discrimination and Equal Employment Opportunity.** In the performance of this Agreement, Consultant shall not discriminate against any employee, subcontractor

or applicant for employment because of race, color, religious creed, sex, gender, gender identity, gender expression, marital status, national origin, ancestry, age, physical disability, mental disability, medical condition, genetic information, sexual orientation or other basis prohibited by law. Consultant will take affirmative action to ensure that subcontractors and applicants are employed, and that employees are treated during employment, without regard to their race, color, religious creed, sex, gender, gender identity, gender expression, marital status, national origin, ancestry, age, physical disability, mental disability, medical condition, genetic information or sexual orientation.

**17. Prohibition of Assignment and Delegation.** Consultant shall not assign any of its rights or delegate any of its duties under this Agreement, either in whole or in part, without City's prior written consent. City's consent to an assignment of rights under this Agreement shall not release Consultant from any of its obligations or alter any of its primary obligations to be performed under this Agreement. Any attempted assignment or delegation in violation of this Section shall be void and of no effect and shall entitle City to terminate this Agreement. As used in this Section, "assignment" and "delegation" means any sale, gift, pledge, hypothecation, encumbrance or other transfer of all or any portion of the rights, obligations, or liabilities in or arising from this Agreement to any person or entity, whether by operation of law or otherwise, and regardless of the legal form of the transaction in which the attempted transfer occurs.

**18. No Third Party Beneficiaries Intended.** This Agreement is made solely for the benefit of the Parties to this Agreement and their respective successors and assigns, and no other person or entity may have or acquire a right by virtue of this Agreement.

**19. Waiver.** No delay or omission to exercise any right, power or remedy accruing to City under this Agreement shall impair any right, power or remedy of City, nor shall it be construed as a waiver of, or consent to, any breach or default. No waiver of any breach, any failure of a condition, or any right or remedy under this Agreement shall be (1) effective unless it is in writing and signed by the Party making the waiver, (2) deemed to be a waiver of, or consent to, any other breach, failure of a condition, or right or remedy, or (3) deemed to constitute a continuing waiver unless the writing expressly so states.

**20. Final Payment Acceptance Constitutes Release.** The acceptance by Consultant of the final payment made under this Agreement shall operate as and be a release of City from all claims and liabilities for compensation to Consultant for anything done, furnished or relating to Consultant's work or services. Acceptance of payment shall be any negotiation of City's check or the failure to make a written extra compensation claim within ten calendar days of the receipt of that check. However, approval or payment by City shall not constitute, nor be deemed, a release of the responsibility and liability of Consultant, its employees, subcontractors and agents for the accuracy and competency of the information provided and/or work performed; nor shall such approval or payment be deemed to be an assumption of such responsibility or liability by City for any defect or error in the work prepared by Consultant, its employees, subcontractors and agents.

**21. Corrections.** In addition to the above indemnification obligations, Consultant shall correct, at its expense, all errors in the work which may be disclosed during City's review of Consultant's report or plans. Should Consultant fail to make such correction in a reasonably timely manner, such correction may be made by City, and the cost thereof shall be charged to Consultant. In addition to all other available remedies, City may deduct the cost of such correction from any retention amount held by City or may withhold payment otherwise owed Consultant under this Agreement up to the amount of the cost of correction.

**22. Non-Appropriation of Funds.** Payments to be made to Consultant by City for services performed within the current fiscal year are within the current fiscal budget and within an available, unexhausted fund. In the event that City does not appropriate sufficient funds for payment of Consultant's services beyond the current fiscal year, this Agreement shall cover payment for Consultant's services only to the conclusion of the last fiscal year in which City appropriates sufficient funds and shall automatically terminate at the conclusion of such fiscal year.

**23. Exhibits.** Exhibits A and B constitute a part of this Agreement and are incorporated into this Agreement by this reference. If any inconsistency exists or arises between a provision of this Agreement and a provision of any exhibit, or between a provision of this Agreement and a provision of Consultant's proposal, the provisions of this Agreement shall control.

**24. Entire Agreement and Modification of Agreement.** This Agreement and all exhibits referred to in this Agreement constitute the final, complete and exclusive statement of the terms of the agreement between the Parties pertaining to the subject matter of this Agreement and supersede all other prior or contemporaneous oral or written understandings and agreements of the Parties. No Party has been induced to enter into this Agreement by, nor is any Party relying on, any representation or warranty except those expressly set forth in this Agreement. This Agreement may not be amended, nor any provision or breach hereof waived, except in a writing signed by both Parties.

**25. Headings.** The headings in this Agreement are included solely for convenience of reference and shall not affect the interpretation of any provision of this Agreement or any of the rights or obligations of the Parties to this Agreement.

**26. Word Usage.** Unless the context clearly requires otherwise, (a) the words "shall," "will" and "agrees" are mandatory and "may" is permissive; (b) "or" is not exclusive; and (c) "includes" or "including" are not limiting.

**27. Time of the Essence.** Time is of the essence in respect to all provisions of this Agreement that specify a time for performance; provided, however, that the foregoing shall not be construed to limit or deprive a Party of the benefits of any grace or use period allowed in this Agreement.

**28. Business Days.** “Business days” means days Manhattan Beach City Hall is open for business.

**29. Governing Law and Choice of Forum.** This Agreement, and any dispute arising from the relationship between the Parties to this Agreement, shall be governed by and construed in accordance with the laws of the State of California, except that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Agreement. Any dispute that arises under or relates to this Agreement (whether contract, tort or both) shall be resolved in a superior court with geographic jurisdiction over the City of Manhattan Beach.

**30. Attorneys’ Fees.** In any litigation or other proceeding by which a Party seeks to enforce its rights under this Agreement (whether in contract, tort or both) or seeks a declaration of any rights or obligations under this Agreement, the prevailing Party shall be entitled to recover all attorneys’ fees, experts’ fees, and other costs actually incurred in connection with such litigation or other proceeding, in addition to all other relief to which that Party may be entitled.

**31. Severability.** If a court of competent jurisdiction holds any provision of this Agreement to be illegal, invalid or unenforceable for any reason, the validity of and enforceability of the remaining provisions of this Agreement shall not be affected and continue in full force and effect.

**32. Counterparts.** This Agreement may be executed in multiple counterparts, all of which shall be deemed an original, and all of which will constitute one and the same instrument.

**33. Corporate Authority.** Each person executing this Agreement on behalf of his or her Party warrants that he or she is duly authorized to execute this Agreement on behalf of that Party and that by such execution, that Party is formally bound to the provisions of this Agreement.

**EXHIBIT B  
APPROVED FEE SCHEDULE**

This Exhibit B provides the Fees which InfoSend shall bill to Client in exchange for Services. To the extent that any term is not expressly defined herein, it shall have the meaning set forth in the Agreement.

**Section 1. Price Escalations to InfoSend Fees**

InfoSend may adjust the InfoSend Fees once every twelve (12) months to account for increases in the cost of materials, labor, and other overhead costs. InfoSend reserves the right to increase InfoSend Fees on a yearly basis no greater than the Los Angeles Area CPI % increase per year (starting with the first anniversary of the Agreement date). The Client will be notified, in writing, at least sixty (60) days prior to such price increase. An amendment to the Agreement will not be required if the Fees are changed, unless other terms or conditions of the Agreement have changed. Postage fees can change at any time per USPS regulations and do not require an amendment to the Agreement.

In addition to this, if Client uses the Printing and Mailing Service, it accepts that InfoSend reserves the right to pass on any extraordinarily high increases to the cost of forms or envelopes at any time. The Client will be notified, in writing, at least sixty (60) days prior to such price increase.

InfoSend pricing is predicated on Client representations of Client and Client User transactional usage. Should Client's actual continuous volume and/or recurring frequency deviate by more than thirty percent (30%) from what Client has represented to InfoSend in Section 2 below, then InfoSend reserves the right to invalidate the Fees listed in this Agreement. Should this situation arise then InfoSend will notify Client immediately and negotiate with Client in good faith to pass on any increased costs to Client, in accordance with actual Client and Client User transactional usage. Should InfoSend and Client fail to agree upon updated Fees, InfoSend reserves the right to terminate this Agreement with one hundred and eighty (180) days' notice.

Client agrees to purchase any remaining supplies of requested custom materials (normally forms or envelopes) if Client stops using InfoSend's Service for any reason. Client agrees to purchase the remaining supply of custom forms/envelopes upon Client's request to change the custom forms/envelopes before the supply has been depleted.

**Section 3.2. USPS Postage Rates**

Postage rates are determined by the United States Postal Service. All postage rate changes are determined directly by USPS and are independent of any InfoSend service or materials fees. In no event shall any change in the postage rates affect the InfoSend service or materials fees. The Client will be invoiced the amount of excess for overweight and foreign mail.

**Section 3.3. Postage Deposit**

InfoSend purchases the postage needed to mail Client documents on the day of mailing. The postage charges are later invoiced to Client based on the Client's payment terms. InfoSend requires Client to submit a postage deposit prior to the first mailing to facilitate the payment terms. This amount will remain in deposit for the duration of the Agreement. Upon Agreement expiration or termination Client must pay in full any outstanding invoices from InfoSend for payables created under this Agreement; the postage deposit will be refunded within fifteen (15) days of the date that the last open invoice is paid.

The postage deposit is subject to an annual review and may be adjusted to account for changes to Client average mailing volume or changes to USPS postage rates. There will be no more than one adjustment requested per year, if at all.

The postage deposit amount is calculated by multiplying the estimated number of mail pieces per month by the current 5-Digit pre-sorted first class postage rate. The postage deposit amount due for your account is: **Monthly Mail Piece Volume 5,362.33 x 2 months x \$0.455 = \$4,879.72 (Already on file)**

InfoSend will provide Client with a Demo instance of the System to approve configuration and simulation of Services. Upon Client approval of the Demo instance of the System and sample outputs from Services, InfoSend will create a copy of Demo System in Production for completion of final User Acceptance Testing (UAT). Client will be given the UAT Period to complete internal testing prior to initiating Go-Live. All Setup and recurring Monthly Fees will become due upon the sooner of (a) Client Go-Live with the application or (b) 60 days from InfoSend delivery of Production System for UAT.

### **Section 6. Implementation Project Cost Subsidization:**

InfoSend's internal costs to complete the project is higher than the Setup fees given. InfoSend has subsidized these fees by factoring in years of service given the term of the Agreement. Should Client cancel the project or terminate the Agreement at its convenience less than one (1) year from the Effective Date then it must pay according to the below:

- **DPPM Setup Fee:** N/A
- **EBPP Setup Fee:** 100% of Setup fees quoted or listed as "Waived" in the pricing exhibit

### **Section 7. Professional Services Fees**

#### **Price Escalations to InfoSend Professional Services Fees**

InfoSend Professional Services Fees can be adjusted once every twelve (12) months to account for increases to the cost of providing these services. InfoSend reserves the right to increase Professional Services Fees on an annual basis no greater than the Los Angeles Area CPI % increase per year, starting with the first anniversary of the Agreement date, if needed. The Client will be notified, in writing, at least thirty (30) days prior to such price increase. An amendment to the Agreement will not be required if the Professional Services Fees are changed, unless the terms or conditions of the Agreement have changed.

#### **Definition of Professional Services**

InfoSend Professional Services are the technical services that are required to perform the initial setup of the InfoSend Primary Services defined in Exhibit A and the technical services required to make changes to these Primary Services after the initial setup is complete. Once any Primary Service is live and operational Professional Services will not be required unless Client requests a change or makes changes to its data file format or business rules which necessitates a change to InfoSend's system configuration or programming. Examples of InfoSend Professional Services:

- Project requirements gathering and analysis hours
- Project management and/or consulting hours
- Software development and system configuration hours related to the processing of Client's data
- Software development and system configuration hours related to document design, web portal setup, business rule configuration, or any other applicable technical services
- Application testing and deployment hours

#### **Professional Services Fee and Process for Approval and Payment of Fee**

The current Professional Services Fee is \$150.00 per hour. In the event that a project will incur billable Professional Services hours, Client will be informed before work begins. InfoSend and Client will execute a Statement of Work for the project that Client wants InfoSend to undertake. The payment terms for the project depend on the size and scope of the project. The Statement of Work can include payment terms

that are different than the terms listed in this Agreement for InfoSend Fees, otherwise these terms will apply and the project fees will be invoiced upon project completion. Small projects that incur less than five (5) hours of Professional Services can be initiated without a Statement of Work if Client accepts and executes a Programming Quote for this work.

Any project that will take more than five (5) hours of Professional Services work will require both parties to execute a formal Statement of Work. Depending on the nature of the work required, InfoSend will provide one of the following quotation methods:

- **Fixed Quote** – a fixed project cost will be set. InfoSend may elect to waive this cost in some circumstances. Client understands and accepts that it must accept the terms and conditions of the Statement of Work for the project and that changes made to the project requirements, data file structure, etc., after the Statement of Work and any amendments to it have been finalized will require Client to pay for these changes on a Time and Materials basis. Client will be notified immediately if this scenario arises and will be given an option to keep the original project specifications to keep the fixed quote in place.
- **Time and Materials Quote** – should it not be possible to provide a fixed quote due to the nature of a Client's requested project, then InfoSend will provide an estimated number of hours to complete the project and bill the hours on a Time and Materials basis. The Statement of Work will include the terms and conditions for these project types and Client will be invoiced weekly for the hours spent on the project.

#### **Initial Setup Cost: InfoSend Primary Services**

The Initial Setup cost for the InfoSend Primary Services selected in Exhibit A are listed in Exhibit B. These costs have been provided using a Fixed Quote process, explained in Section 3 above. Client understands and agrees to these terms, and to the project-specific terms and conditions that will be provided in the Statement of Work that will be created to capture Client's specific requirements and data types.

It is Client's sole responsibility to verify that the content that InfoSend's applications will produce on Client's behalf is appropriate for distribution.

**Inbound Communication Services Disclaimer**

InfoSend Inbound Communication services are intended to receive communications and data from clients to facilitate the performance of InfoSend Services. While the inbound services have been created with the best available tools and practices, they are dependent on infrastructure that is inherently not fail-proof, including but not limited to infrastructure such as United States Postal Service (“USPS”) delivery standards, software, computer hardware, network services, telephone and SMS services, and email. Examples of situations that could cause failure include but are not limited to: USPS failure to deliver, down phone lines, all lines busy, equipment failure, email address changes, and Internet service disruptions. Client acknowledges that it is aware of the potential hazards associated with using such infrastructure and will be responsible for ensuring InfoSend is in receipt of any communication or data destined for InfoSend. Client releases InfoSend from any and all liability that results from an unsuccessful communication or data transfer to InfoSend, one which does not produce a confirmation receipt from InfoSend.

**Outbound Services Disclaimer**

InfoSend Outbound Communication services are intended to create additional methods of communication for clients in support of existing processes. These services are not intended to replace all interaction with Client’s end users or employees. While the outbound services have been created with the best available tools and practices, they are dependent on infrastructure that is inherently not fail-proof, including but not limited to infrastructure such as United States Postal Service (“USPS”) delivery standards, software, computer hardware, network services, telephone and SMS services, and email. Examples of situations that could cause failure include but are not limited to: USPS failure to deliver, down phone lines, all lines busy, equipment failure, email address changes, and Internet service disruptions. For this reason, while outbound services are valuable in providing enhanced communication, they are specifically not designed to be used as the sole method to deliver critical messages. Client acknowledges that Client is aware of the potential hazards associated with relying on an automated outbound service feature when using InfoSend services. Client agrees that it is giving up in advance any right to make any claim against InfoSend, and that Client forever releases InfoSend from any and all liability caused by (a) any failed USPS delivery; (b) any failed email delivery; (c) any failed SMS or call attempts (including excess of calls over and above network or system capacity), incomplete calls, or any busy-outs; or (d) any failure to transmit, obtain or collect data from callers or for human and machine errors, faulty or erroneous input, inarticulate caller communication, caller delays or call lengths exceeding estimated call lengths or omissions, delays and losses in connection with the Services provided hereunder. Such release shall include instances where Client, Client’s employees, or Client’s end user suffer injury or damage due to the failure of outbound services to operate, even though InfoSend may know or suspect what or how extensive those injuries or damages might be, unless such losses were directly attributable to InfoSend’s gross negligence or willful misconduct.
