Ann Murrell, one of the owners at 1101 Sepulveda Boulevard, called on September 17, requesting that the northbound left turn on Sepulveda Boulevard onto westbound 11<sup>th</sup> Street remain open, for access to the medical building on the northwest corner.

Evelyn Gingrich, at 1038 11<sup>th</sup> Street, called on September 23, 2018, and requested that the City approved a full time prohibition on the northbound left turn on Sepulveda Boulevard onto westbound 11<sup>th</sup> Street, due to high traffic volume and speeds cutting through the neighborhood.
