## **ARTICLE 1: RECOGNITION AND EFFECTIVE DATES**

Teamsters Local 911 is officially recognized as the exclusive representative of all eligible, full-time regular employees in the classifications listed in Exhibit A. This MOU represents the full and complete understanding between the parties related to the subject matter set forth herein and all preliminary negotiations of whatever kind or nature are merged herein. The parties that agree that the City has the right to reopen labor negotiations during the term of this MOU regarding updating the City's personnel rules and any City policies subject to bargaining and mutual agreement.

This MOU is effective July 1, 2025 through June 30, 2028.

## **ARTICLE 2: MANAGEMENT'S RIGHTS RESERVED**

The City need not meet with the representatives of any recognized employee organization to consider:

- 1) Issues of public policy;
- 2) The merits, necessity, or organization of any department, service or activity provided by the City pursuant to law or ordinance;
- 3) Matters related to the management of the City and the direction of its work force, including the right to: direct employees; hire, promote, transfer, assign, or retain employees; suspend, demote, discharge, or take other proper disciplinary action against employees; maintain the efficiency of the operation of the City Government; and take any actions necessary to respond to emergency situations, subject to the rules and regulations of the City. The City Manager need not meet with the representatives of any recognized employee organization to consider the personal grievance of an individual employee or group of employees until the procedure for the resolution of grievances provided for in this MOU has been completed. All terms and conditions of employment not covered by this Agreement which have been at the City's discretion and control shall continue to be subject to the City's discretion and control; and
- 4) If the City proposes a work schedule change for a member of the unit (hereinafter referred to as "unit or "bargaining unit") by informing the Union, if the Union has no objection, the schedule change can go into effect on the date the parties agree. If the Union would like to meet and confer with the City, it may do so, but the Union agrees to expedite the negotiations process as much as possible so the schedule change issue can be dealt with as quickly as possible.

### **ARTICLE 3: NON-DISCRIMINATION**

It is agreed that neither the Union nor the City shall discriminate against any employee because of race, religious creed, national origin, age, sex, disability, sexual orientation or union or non-union membership as well as any other protected class identified by law.

### **ARTICLE 4: SALARIES**

1) **Salary:** The salary ranges established for classifications covered by this MOU are identified in Exhibit A. The salary ranges attached include the following salary increases:

- a) Effective the first day of the pay period following July 1, 2025, employees shall receive a base salary increase of 5.0%.
- b) Effective the first day of the pay period following July 1, 2026, employees shall receive a base salary increase of 4.5%.
- c) Effective the first day of the pay period following July 1, 2027, employees shall receive a base salary increase of 4.0%.

2) **Salary Upon Appointment**

Entry-level positions will generally be hired at Step 1. However, at the time of appointment, the appointing authority (Department Head) may recommend any salary step within the salary range that is commensurate with the experience, knowledge, skills, and/or abilities of the individual related to the classification above and beyond the minimum requirements for the position. Salary placement upon appointment at Step 3 or higher is subject to the approval of the Human Resources Director, or designee. Appointment at Step 5 or 6 is also subject to City Manager approval.

3) **Salary Upon Promotion or Reclassification**

At the time of promotion or reclassification, the employee will generally be placed at the next salary step which provides a base salary increase of at least 5%. The appointing authority may recommend salary placement on promotion or reclassification that exceeds this placement, along with appropriate justification, such as to recognize the level of experience, knowledge, skills, and/or abilities of the individual related to the classification, provide an appropriate increase above a long-term acting assignment, or to compensate for a delay in processing a reclassification. In determining salary placement, consideration can be given to relevant qualifications, experience and skills that exceed the minimum requirements for the position.

4) **Movement Within the Salary Range**

Employees will be eligible for a one-step salary increase each year following appointment, provided they have demonstrated "Meets Standards" or above performance, which will typically be documented by a performance evaluation. Step increases will be effective at the beginning of the biweekly pay period that

follows the pay period in which the anniversary date occurred. Provided that an employee is demonstrating "meets standards" or above performance, a personnel action form can be processed for the annual salary step increase. The personnel action form must be approved by the employee's Department Head based on the employee's supervisor affirming the employee has demonstrated meets standards performance. If the personnel action form is not submitted within the same pay period that the step increase is due, the employee will be eligible for the step increase retroactive to the date they were eligible for the step increase.

## **ARTICLE 5: PROBATIONARY PERIODS AND EVALUATIONS**

### **1) Probationary Periods**

The probationary period is regarded as a part of the testing process and shall be utilized for closely observing the employee's work, for securing the most effective adjustment of a new employee to their position, and for rejecting any probationary employee whose performance does not meet the required standards of work.

The standard probationary period shall be one (1) year, for both initial appointments and promotions. If an employee is promoted into or transfers into a different classification during their initial or promotional probationary period, they will serve a new probationary period. A probationary period may be extended up to an additional six (6) months, based upon the recommendation of the Department Head and approval of the Human Resources Director.

Any employee rejected during the probationary period following a promotion shall be reinstated to the position from which they were promoted, granted the position is still available and unless they are terminated from their position for cause per the disciplinary procedure outlined within this agreement.

### **2) Performance Evaluations**

By the date of their six-month anniversary of employment, new employees should receive at least one (1) performance evaluation for the purpose of providing the employee feedback and evaluating their performance during the probationary period. New employees shall also receive a performance evaluation, typically in advance of their probationary period ending date, indicating whether they have passed probation or not. Following probation, employees will receive at least one (1) performance evaluation annually, coinciding with their step increase eligibility date.

## **ARTICLE 6: ACTING PAY**

Provided an employee has been assigned by their Department Head (or designee) to serve in a position above their classification for at least three consecutive working days, they will receive acting pay of 5% of the employee's existing base salary for all calendar days in the assignment. Acting assignments in excess of six (6) months require approval of the Department Head and Human Resources Director. Acting assignments in excess of twelve (12) months require approval of the Department Head, Human Resources Director, and City Manager. If the position for which the employee is acting is vacant and the law limits the acting assignment to 960 hours, the City will follow the law and limit the acting assignment to no more than 960 hours.

The parties agree that to the extent permitted by law, Acting Pay is special compensation as defined by CalPERS regulations and shall be reported as such to CalPERS pursuant to Title 2 CCR, Section 571(a)(3) Temporary Upgrade Pay. Acting Pay is only reportable to CalPERS as special compensation for those who qualify as “classic members” and is not reportable for “new members”, as defined by the Public Employees’ Pension Reform Act of 2013 (PEPRA).

## 2) Workweek

For employees working the 9/80 work schedule, the FLSA designated workweek used to calculate overtime will end exactly four (4) hours after the start time of their work shift on the employee's alternating regular day off. For example, if an employee's workday starts at 7:30 a.m. on Friday and their regular day off is Friday, their workweek for calculating overtime shall start at 11:30 a.m. on Friday and end the following Friday at 11:29 a.m.

For employees working a 4/10 or 5/40 work schedule, the FLSA designated workweek that will be used to calculate overtime shall begin at Saturday at 12:00 a.m. and end at 11:59 p.m. on Friday. If an employee is assigned a 4/10 or 5/40 where the 4 or 5 days do not fall consecutively within this established workweek, the designated workweek will begin at midnight on the first day following their consecutive day schedule. For example, if an employee is assigned a 4/10 Friday through Monday, their workweek will begin at midnight on Tuesday and end the following Monday at 11:59 a.m.

3) **Overtime Earned**

Non-exempt employees shall receive overtime if the employee works in excess of forty (40) hours in their defined workweek. For the purposes of determining eligibility for overtime in a given workweek, hours worked shall include City-recognized holidays, vacation, and compensatory time, provided the employee requests and is approved to take the leave prior to the start of their work shift. Sick leave does not count as hours worked for the purposes of calculating overtime. All approval for overtime must be granted prior to the overtime being worked, except in emergency situations. Employees must be able to perform all the required functions of the overtime responsibilities to be eligible to work overtime, and employees on light duty may not be eligible to work overtime for designated assignments.

Employees required to work more than forty (40) hours in a workweek shall receive overtime pay at one and one-half (1-1/2) times their regular rate of pay or compensatory time-off at the option of the employee, subject to supervisory approval. Overtime shall be paid on the payday following the pay period in which it is earned.

4) **Compensatory Time Off**

Employees who accrue compensatory time off shall accrue it at the rate of time and one-half to a maximum amount not to exceed 60 hours (i.e., 40 overtime hours accrued at time and one half).

An employee desiring to use earned compensatory time-off must first obtain approval from their supervisor. If at least 10 days' notice is provided, compensatory time off will not be denied unless it would be unduly disruptive to the City to grant it. If compensatory time off is requested with less than 10 days' notice, it may still be granted within the discretion of the employee's supervisor.

5) **Shift Differential**

Employees who are assigned to work a swing or graveyard shift for their regularly assigned work hours will receive an hourly differential, as follows:

- a) **Swing shift** - \$1.00/ hour  
Swing shift includes any shift scheduled between 1:00 p.m. to 1:00 a.m.
- b) **Graveyard shift** - \$1.25/hour  
Graveyard shift includes any shift scheduled between 10:00 p.m. to 8:00 a.m.

When an employee works a regularly assigned shift that includes hours in both swing and graveyard shifts, the employee will receive the shift differential based upon which shift the highest number of hours is worked, and the designated rate would apply to all hours worked. For example, an employee assigned to work 6 p.m. to 6 a.m. has 7 hours in the swing shift criteria hours and 8 hours in the graveyard shift criteria, so the employee would receive the shift differential rate that correlates with graveyard shift (\$1.25 per hour).

In addition to the above, if an employee is required to flex their hours for a particular shift(s) for operational reasons, and the hours worked occur during the Swing and Graveyard hours as defined above (except

## TEAMSTERS LOCAL 911 MOU

for Public Works where Swing shift is from 12:00 p.m. to 1:00 a.m.), they will receive shift differential pay for those hours.

The parties agree that to the extent permitted by law, Shift Differential is special compensation as defined by CalPERS regulations and shall be reported as such to CalPERS pursuant to Title 2 CCR, Section 571(a)(4) and 571.1(b)(3) Shift Differential.

### **ARTICLE 17: UNIFORMS**

#### **1) Public Works Employees**

With the exception of administrative employees, all Public Works employees will be provided with clean and presentable work clothing, to be provided and laundered through a uniform rental service. Each employee has the option to receive a minimum of nine (9) sets of work clothing. In addition, the City will provide every employee with five (5) t-shirts with the City insignia at the beginning of each fiscal year. Any portion of the uniform that is torn, badly stained, or in any way unsuitable in appearance through work activity, as determined by the supervisor, shall be exchanged and replaced at the discretion of the City. The City will provide an opportunity for alterations once a year, if needed. The employee shall pay for any additional uniform alterations. City uniforms shall not be worn off duty and employees shall make every effort to maintain their uniforms in a way that reflects the highest public image of City employees. The City reserves the right to determine the manner in which work clothing is provided, to select the uniform rental service, and to select the style and color of the work clothing. Unless mutually agreed, work clothing shall consist of the following:

- a) Work Pants/Shorts (Combination of 9)
- b) Work Shirts/T-Shirts
- c) Name Patches
- d) City Patches
- e) City Hats

The employee must make the choice at the beginning of the year whether to wear a collared shirt (with buttons) or with no collar (a t-shirt). The options to wear t-shirts or shorts shall be subject to revocation either individually or collectively at any time by the City if deemed in the City's best interest and such revocation (with at least 90 days' notice) shall not become the subject of any grievance proceeding.

All employees must wear high visibility safety apparel at all times when working in the public right-of-way. Employees who fail to do so may be subject to discipline.

The parties agree that to the extent permitted by law, the value of the uniforms (i.e. the monetary value for the purchase and or maintenance of uniforms) provided in this article is special compensation as defined by CalPERS regulations and shall be reported as such to CalPERS pursuant to Title 2 CCR, Section 571(a)(5) Uniform allowance. Notwithstanding the previous sentence, for "new members" as defined by the Public Employees' Pension Reform Act of 2013, the uniform allowance will not be reported as compensation earnable to CalPERS.

2) **Police Department Employees**

Upon hire, the City will provide each employee with the following uniforms:

- a) Police Services Officer, Lead Police Records Technician, Police Records Technician, Property and Evidence Officer, and Office Assistant (assigned to Parking): three (3) shirts and three (3) pairs of pants each
- b) Lead Community Services Officer, Community Services Officer and Park Services Enforcement Officer: four (4) shirts, two (2) pairs of pants, and two (2) shorts each

After completion of probation, each employee shall be provided additional uniforms to provide a total of five (5) sets of uniforms for each employee. Community Services Officers may choose long pants or shorts so they have some combination of both. Thereafter, the City shall provide replacements for those uniform items that are torn, badly stained, or in any way unsuitable in appearance as determined by the supervisor. The Department's practice of providing one (1) Class A dress uniform per employee, if needed, shall continue.

The employees in the classifications of Lead Community Services Officer, Community Services Officer, Park Services Enforcement Officer, Police Services Officer, Lead Police Records Technician, Property and Evidence Officer, Police Records Technician, and Office Assistant (assigned to Parking) shall receive \$275.00 annually for their uniform maintenance allowance, paid and reported biweekly.

City supplied uniforms shall remain the property of the City and shall be returned to the City upon termination.

The parties agree that to the extent permitted by law, the uniform allowance and/or the value of the uniforms provided in this article is special compensation as defined by CalPERS regulations and shall be reported as such to CalPERS pursuant to Title 2 CCR, Section 571(a)(5) Uniform allowance. Notwithstanding the previous sentence, for "new members" as defined by the Public Employees' Pension Reform Act of 2013, the uniform allowance and/or the value of uniforms will not be reported as compensation earnable to CalPERS.

3) **Fire Department Employees**

Fire Inspectors and Senior Fire Inspectors will be provided with necessary uniforms and uniform accessories. Upon hire and replaced annually as needed, employees will receive a minimum of one Class B Uniform, one long sleeve shirt, three short-sleeve shirts, three pants, one station belt, one ¼ zip job shirt, and one soft shell jacket. Upon hire and replaced only as needed, employees will be provided with one service cap and one dress tie.

The parties agree that to the extent permitted by law, the value of the uniforms provided in this article is special compensation as defined by CalPERS regulations and shall be reported as such to CalPERS pursuant to Title 2 CCR, Section 571(a)(5) Uniform allowance. Notwithstanding the previous sentence, for "new members" as defined by the Public Employees' Pension Reform Act of 2013, the uniform allowance and/or the value of uniforms will not be reported as compensation earnable to CalPERS.

#### 4) Other Departments

Other work clothing items may be issued at the sole discretion of the City on an as needed basis.

### **ARTICLE 18: TUITION REIMBURSEMENT PROGRAM**

The City will continue to provide a tuition reimbursement program in accordance with the applicable Personnel Instruction/City Policy. The current annual reimbursement amount for tuition and books is \$2,500.00.

### **ARTICLE 19: VACATION**

The purpose of annual vacation and general leave is to enable each eligible employee to have time for personal obligations, leisure and family time, and disconnection from work, so that they can remain focused and to return to work mentally refreshed. Employees begin accruing vacation at the time of hire and may use paid vacation as approved by their supervisor and Department Head.

- 1) **Leave Accrual and Caps:** Employees will accrue vacation, and be subject to the maximum vacation accruals, outlined in this table:

FULL-TIME YEARS OF SERVICE		VACATION ACCRUAL (Hours/Pay Period)	VACATION ACCRUAL (Hours/Month)	MAXIMUM ACCRUAL
<i>Greater than:</i>	<i>Less than or equal to:</i>			
	5 full years	3.38	7.33	264
5 full years	9 full years	4.00	8.667	312
9 full years	16 full years	4.62	10.00	360
16 full years	17 full years	4.92	10.667	384
17 full years	18 full years	5.23	11.33	408
18 full years	19 full years	5.54	12.00	432
19 full years	20 full years	5.85	12.667	456
20 full years	22 full years	6.15	13.333	480
22 full years	23 full years	6.31	13.667	480
23 full years	24 full years	6.46	14.00	480
24 full years	25 full years	6.77	14.667	480
25 full years		6.92	15.00	480

Upon reaching the maximum vacation accrual, the employee will not accumulate further vacation until such time that the employee's accumulation rate returns to below the maximum. Under special circumstances and with City Manager approval, an employee may be allowed to accrue over the maximum for a limited period of time. Any employee who is in paid status less than eighty (80) hours in a pay period, or who has requested a reduced hours schedule on a temporary or permanent basis, shall accrue a pro-rated amount of vacation based on their number of hours worked.

2) **Use and Approval of Vacation**

In order to assure the orderly performance and continuity of municipal services, each employee should request vacation leave as far in advance as reasonably possible, but usually at least one (1) week in advance of the requested period. Each department may have their own process and timeline for vacation requests. With sufficient advanced notice, vacation requests will be granted, insofar as possible and practical, at those times requested by the employee. Based on the nature of the work performed, staffing levels, competing requests, and the need for continuity of services, it may be necessary to limit the number of employees or prohibit any employee from taking vacation leave on a particular date or dates.

An employee may request the use of accrued vacation time for the purpose of attending to a personal emergency, without the advanced request specified above. Granting the use of vacation without advanced approval in order to attend to a personal emergency shall be solely at the discretion of the supervisor.

3) **Annual Vacation Cash-out**

On or before December 31 of each calendar year, an employee may make an irrevocable election to cash out up to eighty (80) hours of accrued vacation, which will be earned in the following calendar year and paid out the following December at the employee's base rate of pay. On the pay day corresponding with the pay period that includes December 1 of each year in the following year, the employee will receive their vacation cash out for the amount of Vacation Leave the employee irrevocably elected to cash out in the prior year. However, the employee's Vacation Leave balance cannot be reduced below 80 hours. Thus, if by receiving cash for employee's Vacation Leave, the employee's Vacation Leave balance is less than 80 hours, the employee will receive cash (up to a maximum 80 hours) for the amount above 80 hours.

**ARTICLE 20: HOLIDAYS**

1) **Holidays Observed**

The following days shall be recognized and observed as paid (eight-hour) holidays:

- a) New Year's Day (January 1)
- b) Martin Luther King, Jr. Day (third Monday in January)
- c) Washington's Birthday (third Monday in February)
- d) Memorial Day (last Monday in May)
- e) Juneteenth (June 19) (starting in 2026)
- f) Independence Day (July 4<sup>th</sup>)
- g) Labor Day (first Monday in September)
- h) Columbus/Indigenous Peoples' Day (second Monday in October)
- i) Veteran's Day (November 11<sup>th</sup>)
- j) Thanksgiving Day (fourth Thursday in November)
- k) Friday following Thanksgiving Day
- l) Christmas Eve (half-day holiday)
- m) Christmas Day (December 25<sup>th</sup>)
- n) New Year's Eve (half-day holiday)

## TEAMSTERS LOCAL 911 MOU

Employees who work other than a 5/40 work schedule must supplement their holidays with floating holiday, holiday bank, vacation leave, or compensatory time off for the hours in addition to eight (8) hours. (For example, if an employee works a 9/80 schedule, they must use one (1) hour of leave to supplement the 8-hour holiday to receive full pay).

If one (1) of the paid holidays falls on a Sunday, the holiday will be observed on the following Monday. If one (1) of the paid holidays falls on a Saturday, the holiday will be observed on the preceding Friday. When a City recognized holiday falls on an employee's regular scheduled day off between Monday and Friday, the employee will accrue eight (8) hours in a holiday bank. The employee may use the hours in the holiday bank (earned in a prior pay period) as leave time (requesting to use the leave similarly to a request for vacation) except that the hours must be used as leave and cannot be cashed out. The maximum number of hours an employee may have in the holiday bank is forty (40) hours.

### 2) Christmas Eve and New Year's Eve (half-day holidays)

With the exception of employees who earn the "Holiday Bank" outlined below due to working regular shifts without regard to holidays, employees will receive half of their normal work hours as paid holiday leave for Christmas Eve and New Year's Eve.

Employees who are scheduled to work on Christmas Eve and/or New Year's Eve will be required to work onsite (and may not telework), for half of their normal work hours.

While employees may not "flex" time to work less than half of their regular work hours, Department Heads may allow employees to "flex" time so that employees are not required to work greater than half of their normal work shift (For example, if an employee normally has a 9-hour work day starting at 6 a.m. and works at a facility that's open until noon, their supervisor may allow them to "flex" their schedule to start at 7:30 a.m. so that they will not work more than half of their regular shift hours). Alternatively, the Department Head has the discretion to allow the employee to leave after working half of their regularly scheduled work hours, prior to the facility closing, if it works for the department's operations and allows adequate coverage. Employees who would not be working half of their normal work hours if they started at their normal work time (e.g. an employee whose work shift starts at 10 a.m. and the facility they are working for closes at noon) should either take the full day off or use leave hours for the difference in half of their regular work shift and the works they work. Alternatively, they may arrange an alternate schedule with their supervisor and Department Head, that would enable them to work half their normal work shift onsite, provided it works for the department's operations and allows for adequate coverage.

Employees who are not working on either day will be required to utilize accrued leave for half of their normal work hours and will receive paid holiday leave for the other half of their normal work hours.

### 3) Floating Holiday

Annually in the pay period that includes July 1, twenty-four (24) hours of floating holiday leave shall be credited to each employee, which is to be used during the 12 months following the July 1<sup>st</sup> when it was given. Employees who have not used all of their floating holiday leave will be replenished up to 24-hours. Floating holiday leave has no cash value and is not eligible to be cashed out.

## TEAMSTERS LOCAL 911 MOU

Employees who promote out of the unit who have unused floating holiday hours do not carry these hours over into their promoted position in the other bargaining unit. These hours are forfeited.

### 4) **Birthday Holiday**

Each employee will receive one day (equivalent hours to the employee's normal work shift, for example 9 hours for employees working a 9/80 and 10 hours for employees working a 4/10 as a "birthday holiday". The employee may utilize their birthday holiday 1) on any day in their birthday month or 2) on any day within the pay period of, immediately before, or immediately after their birthday. The birthday holiday should be requested in the same manner vacation is requested and is subject to supervisor approval. The birthday holiday is non-cashable and cannot be carried forward if it is not used in the specified time period.

### 5) **Holiday Bank**

Employees in classifications that are required to work regular shifts on holidays (i.e., Lead Community Services Officers, Community Services Officers, Police Service Officers, Water Treatment Operators, Lead Water Treatment Operators, Lead Police Records Technicians, Police Records Technicians, Police Records Specialists, Park Services Enforcement Officers, and Property and Evidence Officers) will be granted forty-four (44) hours of holiday leave during the first full pay period after July 1, and 44 hours during the first full pay period after January 1. Although the holiday hours are front-loaded for use during the first full pay period after January 1 and July 1, the hours are earned each pay period. If a new employee is hired, the bank of holiday hours provided will be prorated to July 1 or January 1, whichever is closest.

Employees in technical/administrative support capacities regularly assigned to the Police Department (such as Public Safety Systems Specialist, Executive Assistant, Administrative Assistant, and Office Assistant) will receive the same holiday bank but may be required to take their holiday on the observed day because their support is not needed. New/revised classifications or other classifications deemed to meet the criteria to receive a holiday bank of hours may be assigned to work holidays and receive the corresponding holiday bank of hours.

If an employee separates from service, Payroll will prorate the holiday hour's allotment on a bi-weekly basis starting at July 1 or January 1, whichever is closer to the separation date. If an employee has used more holiday bank leave than they have earned to date in the calendar year, that amount will be deducted from their final paycheck. If the employee has used less holiday leave than they have earned, the employee will be paid for the excess amount as part of their final paycheck.

All employees who receive a holiday bank may carry over up to ten (10) hours of holiday leave from year to year.

The use of floating holiday and holiday bank leave shall be requested in the same manner and subject to the same procedures as vacation requests.

## **ARTICLE 21: SICK LEAVE**

### **1) Accumulation Rate**

Employees shall be entitled to accumulate eighty (80) hours of sick leave annually, 3.077 hours per period, beginning at the time of hire or appointment into the bargaining unit. Employees who are in paid status less than 80 hours in a pay period shall accrue a pro-rated amount of sick leave based on their number of hours worked.

### **2) Sick Leave Utilization Requirements**

Employees with accrued sick leave shall be allowed to utilize such sick leave for the following purposes:

- a) Employees may use sick leave for personal illness, personal medical appointments or injury. Anytime an employee uses sick leave for a purpose which qualifies for leave per the Family and Medical Care Leave Act (FMLA), the California Family Rights Act (CFRA) or for California Pregnancy Disability Leave (PDL) as provided by the California Fair Employment and Housing Act (FEHA), the City may run the employee's entitlement to FMLA, CFRA, or PDL concurrently with the employee's sick leave. Conversely, an employee who takes FMLA/CFRA/PDL leave for their own personal serious health condition will be required to use their sick leave concurrently with the FMLA/CFRA/PDL leave.
- b) Employees may use up to 40 hours of accumulated sick leave per fiscal year for family sick leave. The purpose of this benefit is to allow employees time to care for a child, parent, spouse, registered domestic partner, parent in law, sibling, grandparent, grandchild or designated person as defined by the law. Family sick leave may be used to actually care for or arrange for the care of family members who are ill and cannot care for themselves, or to take family members to routine medical or dental appointments. Use of family sick leave shall be authorized and recorded through the payroll process. It is the responsibility of the operating department to track this type of leave. Sick leave may be used for family illness as provided for in the Rules and Regulations and in the City's Family Care and Medical Leave Policy. The City may require an employee to use accrued leaves, including sick leave, concurrently with a leave taken pursuant to the Family and Medical Care Leave Act and California Family Rights Act where provided for under the law.
- c) Employees are encouraged to schedule routine medical or dental appointments outside of regular work hours whenever possible.

### **3) Sick Leave Notification**

- a) For routine medical appointments and sick leave use that can be planned in advance, employees should request sick leave in conjunction with departmental policy and procedure. For unplanned sick leave, it is the responsibility of each employee requesting paid sick leave to notify their supervisor at least thirty (30) minutes before the beginning of their work day, or as soon as is reasonably possible, in the manner prescribed by their Department Head and supervisor. When someone other than the employee has been requested to make the required notification, the employee will be solely

## TEAMSTERS LOCAL 911 MOU

responsible for that notification being made. If an employee becomes sick or ill during their work shift, they should notify or cause notification to be made to their supervisor prior to leaving the work site.

- b) An employee who has a doctor's note that they provided to their supervisor, indicating they will be off for more than one day, does not need to call in each day they are out of work.
- c) An employee who believes their absence would qualify for family and medical care leave is encouraged to contact Human Resources.

### 4) Sick Leave Certification and Approval

A Department Head or designee may require an employee to furnish a doctor's certificate at any time for proof of illness, as allowed under the law.

## ARTICLE 22: SICK LEAVE CONVERSION

An employee is eligible to convert sick leave to vacation leave based upon the amount of sick time used during the prior fiscal year, as follows:

- a) 26 or less hours of sick leave used in the fiscal year: the employee receives one-half of the difference between the sick leave used and what they earned during the prior fiscal year (80 hours if in paid status for the full year) credited to vacation.
- b) Between 26 and 43 hours of sick leave used in the fiscal year: the employee receives one-quarter of the difference between the sick leave used and what they earned during the prior fiscal year (80 hours if in paid status for the full year) credited to vacation.

Employees who use more than 43 hours of sick leave in the prior fiscal year are not eligible for sick leave conversion. Sick leave may only be converted up to the amount of his or her vacation limit. The sick leave conversion is processed in the second full pay period after June 30 of each year.

## ARTICLE 23: JURY DUTY

The City will provide up to 2 weeks (80 hours) paid leave time for employees who serve for jury duty, in accordance with the City's policy and procedures for jury duty.

- a) Employees are to immediately notify their supervisor when summoned for jury duty and provide the jury summons upon request.
- b) Employees serving jury duty or appearing in court as a result of a jury summons will receive pay for time served, up to a maximum of 80 hours of pay each 12-month period.
- c) Employees will remain on their normal work schedule throughout their jury service and will only be compensated when serving on their regularly scheduled work days.

## TEAMSTERS LOCAL 911 MOU

- d) Employees who are temporarily released from actual service for one-half (1/2) work day or more will report back to work for the remaining hours in the workday unless the employee has arranged in advance to take leave. If the employee is required to report in the afternoon, they will report to work for the first part of their work day.
- e) Employees will complete their timesheet and provide documentation of time served in the method required by the payroll division of the Finance Department.

### **ARTICLE 24: BEREAVEMENT LEAVE**

An employee may use up to 40 total hours of bereavement leave per calendar year for grieving, receiving counseling, making arrangements, or carrying out last wishes as a result of the death of the employee's family. For the purpose of this provision, "family" includes an employee's spouse, registered domestic partner, parent, sibling, child, grandparent, grandchild, mother-in-law, father-in-law, sibling-in-law, foster child or foster parent. If an employee experiences the death of more than one (1) family member during the calendar year, the employee may request an exception to use additional bereavement leave (up to the 40 hours described herein), subject to verification and approval of the Human Resources Department. An employee may request to use their own paid and accrued leave time for additional bereavement leave beyond 40 hours. If an employee's work schedule is such that 40 hours of leave does not include a minimum of 5 working days (e.g. an employee working a 4/10 schedule), they are entitled to use their paid leave time (vacation, compensatory time, and/or sick leave) for additional bereavement leave up to 5 working days (not subject to supervisor discretion).

### **ARTICLE 25: PARENTAL LEAVE**

In the first four (4) weeks following the birth of a child or in connection with the adoption or foster care placement of a child, an employee shall receive up to eighty (80) hours of paid parental leave. This leave runs concurrently with leave provided per the CFRA/FMLA and must be taken consecutively

This leave shall become effective on July 1, 2025 and can only be used for time taken after July 1, 2025.

### **ARTICLE 26: CATASTROPHIC LEAVE**

Employees in the unit shall be permitted to donate accrued vacation leave and/or compensatory time off to other City employees who have exhausted all paid leaves, who have been granted an unpaid leave and who need to continue to be absent from work because of a catastrophic injury or illness. The value of the accrued vacation leave and compensatory time off will be determined based on the donating employee's compensation. It will then be converted to hours for the donee's use based on the donee's rate of pay. For example, if an employee who earns \$40 per hour donated ten (10) hours of accrued vacation leave and/or compensatory time off to an employee who earns \$30 per hour, the donee would receive \$400 divided by \$30 or 13 hours of catastrophic leave. Bargaining unit members may donate accrued vacation leave and/or compensatory time off to members outside of the bargaining unit. The value of such leave will be converted to the donee's rate of pay. An employee wishing to donate leave must inform the Human Resources Department of their desire to donate leave, the amount of the donation and the employee to whom they wish to donate.

## **ARTICLE 27: CLASSIFICATION CHANGES**

During the term of the MOU, if the City wishes to modify any job description for any classification in the unit, it may do so. However, the Union shall have the right (within 10 business days of receiving notice sent to the business agent of the Union, of the change of the job description) to request to meet and confer over any terms and conditions of employment related to the change (for example, salary, hours or title).

## **ARTICLE 28: TRANSFER**

A transfer is the movement of an employee to a position in the same classification or a different class with the same or substantially similar salary range and duties/job requirements.

- a) Voluntary transfer: An employee requesting a transfer may provide a written request to their Department Head. If the transfer involves movement between two City departments, the employee may send the request to the Human Resources Director for processing and coordination between the two departments.
- b) Transfer based on departmental or City needs: After notice to an employee, the Department Head(s) may transfer an employee from one position to another position. Transfer shall not be used to avoid a process in the personnel rules for a promotion, demotion, or advancement or reduction in pay.

## **ARTICLE 29: GRIEVANCE PROCEDURE**

This grievance procedure is the sole and exclusive manner by which an employee or the Union can challenge that the City has misinterpreted, misapplied or violated this MOU in any way. For the purposes of this section, a grievance is defined as an allegation by an employee or the Union that there has been a misinterpretation, misapplication or violation of a particular provision of this MOU, the personnel rules, or a City policy.

### **1) Informal Grievance Procedure (Resolution with Immediate Supervisor and/or Department Head)**

Any employee with a grievance is encouraged to initiate the grievance procedure within thirty (30) calendar days of the date of the incident, or when the employee should reasonably have been made aware of the grievance. As part of the informal grievance procedure, the employee should explain the situation orally or in writing to their immediate supervisor and/or Department Head. If a disagreement about the MOU interpretation or application still exists following the informal procedure, an employee or the Union may initiate the following procedure.

### **2) Formal Grievance Procedure**

- a) Filing of Grievance and HR Director Decision: The employee or the Union may initiate a formal grievance, in writing, to the Human Resources Director within sixty (60) calendar days of the date of the incident. While employees are encouraged to utilize an informal grievance process, a formal grievance may be filed regardless of if the informal grievance procedure under Step A is utilized. If the employee or the Union so requests, following written submission of the grievance, the Human Resources Director shall meet with the employee, their representative (if applicable) and departmental management (if needed)

in an effort to resolve the issue. Within thirty (30) calendar days, the Human Resources Director, shall present their decision, in writing, to the employee and/or the Union.

- b) City Manager Determination: Within fifteen (15) working days of the Human Resources Director's Decision, the employee or the Union may request in writing to present the grievance to the City Manager. If such a meeting is requested, the City Manager, or their designee, shall meet with the employee and their representative, or the Union representatives bringing forth the grievance, in an effort to resolve the issue. The meeting with the City Manager or their designee is an informal hearing in which the employee or Union, and the City, will each have the chance to explain its position and provide supporting evidence. Within thirty (30) working days of this informal hearing, the City Manager or designee shall present a decision, in writing, to the employee and the Union, with copies to the Human Resources Director. The City Manager's decision is final and concludes the grievance procedure.

### 3) Prescribed Timeframes in Grievance Proceedings

Time limits as set forth above may be extended by mutual agreement between the parties, but neither party is required to agree to such an extension. Unless a mutual agreement is made prior to any of the timeframes prescribed herein, the employee and the Union waive their rights for grievance filing or appeal if they do not respond within the prescribed timeframes.

## ARTICLE 30: DISCIPLINE

The City is committed to following the principles of progressive discipline. Disciplinary actions should be designed to fit the nature of the employee's performance or conduct needing to be addressed. The particular action imposed shall depend on the severity of the conduct, the particular factual circumstances involved, the employee's work history and previous formal disciplinary record, and take into consideration other incidents with comparable circumstances. For purposes of this article, a working day is defined as a day City Hall is open for business.

### 1) Disciplinary Actions Defined

#### a) Oral or Written Warning

An oral or written warning is a tool by supervisors to address performance problems or minor instances of misconduct. An oral or written warning may be initiated at any time. When issuing an oral or written warning, the supervisor or manager will review with the employee the specific deficiencies in question, improvement needed, the City's standards, and the employee's expected behavior moving forward. The employee should be advised of the action that will be taken should they fail to achieve the improvement outlined within the time period specified. Written warnings will be kept in the supervisory file, rather than the official personnel file, and a copy given to the employee. At the supervisor's discretion, a summary of the behavior leading up to the warning may be incorporated into the employee's performance evaluation during their next evaluation. Once the performance evaluation is completed for the year and the supervisor determines if the warning should be incorporated into the employee's performance evaluation, all warnings referenced in the supervisory file should be discarded.

b) Letter of Reprimand

A Letter of Reprimand is considered the lowest level of formal discipline. A Letter of Reprimand may be used for minor offenses warranting disciplinary action and/or to provide formal notice to the employee that the City will take further disciplinary action unless immediate, real and consistent improvement in performance is demonstrated. Any decision to issue a Letter of Reprimand should be reviewed by the Human Resources Department. The supervisor or manager issuing the Letter of Reprimand shall meet with the employee to discuss specific improvements required within a defined time period to avoid further disciplinary action, where applicable. A copy of the Letter of Reprimand will be placed in the employee's official personnel file. A Letter of Reprimand is not appealable, but the employee may attach a written response for the Department Head to review and evaluate. The employee's written response will be placed in the employee's official personnel file.

c) Suspension

Suspension is the temporary removal of an employee from their duties without pay. A suspension should be commensurate with the offence and may not exceed thirty (30) calendar days.

d) Reduction in Pay

A Reduction in Pay is a reduction in hourly salary for a limited and defined period of time. An example of this is a reduction in the employee's step placement for a defined period for time that does not result in any classification change. The employee remains in their classification and continues to perform their regular and customary duties for the duration of the Reduction in Pay.

e) Demotion

Demotion is the movement of an employee from their current classification to a classification having a lower salary range. The employee must meet the minimum qualifications of the position to which they are demoting. Demotion is generally utilized as a disciplinary action when the employee has not been able to competently perform required duties of their classification but did not engage in misconduct that would preclude them from City employment. Demotion may also be utilized as progressive disciplinary action.

f) Discharge

Discharge is the involuntary termination of an employee from City employment for cause.

**2) Examples of Misconduct**

It is impossible to provide an exhaustive list of the types of impermissible conduct. However, misconduct that may result in disciplinary action, up to and including discharge includes, but is not limited to, the following examples:

- a) Continued failure to meet expected standards of work, such as attendance, punctuality, work product or behavior.
- b) Insubordination, including, but not limited to, refusing to follow a lawful work order
- c) Intentional or negligent conduct that damages City property or the property of another employee, a customer, a vendor, or a visitor.

  - t) Dishonesty

- u) Performance of non-City work on work time
- v) Any other misconduct which affects the work environment or the quality of customer relations, or any other violation of established City policy

### 3) Pre-Disciplinary Procedure

If an employee is to be suspended, receive a reduction in pay, be demoted or discharged, the employee shall receive written notice of the proposed disciplinary action in advance of the imposition of discipline, stating the specific grounds and the particular facts upon which the action is based. The notice will include copies of any known materials, reports or other documents upon which the intended action is based. Electronic copies will be provided upon request.

Within seven (7) calendar days after the employee has been provided with the notice of proposed disciplinary action, the employee shall notify the Department Head or Human Resources Director of their intention to respond in writing or orally to the proposed disciplinary action. As a result of such a request, a "Skelly Officer", who will be the Department Head or designee who has the authority to modify or eliminate the intended disciplinary action, will hear the response. If the employee elects to respond in writing, the employee must respond within seven (7) calendar days after their election to provide a written response. If the employee requests a meeting, it will be scheduled within a reasonable timeframe.

Following the written response or in-person meeting, the Skelly Officer (if a person other than the Department Head) will issue their written decision to the Department Head. The Department Head or designee will issue the employee a final written notice of discipline in accordance with the Skelly Officer's decision prior to the effective date of the disciplinary action.

### 4) Disciplinary Appeal Process

- a) A disciplinary action of suspension of three (3) days or less is appealable through the following procedure below:

**Step 1:** The employee must, within seven (7) calendar days, present the appeal to the Human Resources Director for processing. The employee's appeal must state the specific policy(ies), rule(s) and/or MOU provisions that were allegedly improperly applied and the bases for appealing the imposed disciplinary action and stating the specific resolution desired. The failure of the employee to take this action shall constitute a waiver of the appeal, unless time limits are extended through mutual agreement.

**Step 2:** Within a reasonable time of receipt of the appeal, the Human Resources Director will set up a meeting between the employee and their representative with the City Manager or designee to review the issues. A written decision will then be rendered within thirty (30) calendar days of the meeting. The decision of the City Manager will be final.

- b) A disciplinary action of suspension of four (4) days or more, reduction in pay, demotion or discharge is appealable per the appeal procedure below:

The employee may, within ten (10) calendar days of receipt of the disciplinary action, appeal to advisory arbitration. The parties, or their designated representatives, in good faith shall attempt to agree on an arbitrator. If they are unable to agree within a reasonable time, either party may request the State

## TEAMSTERS LOCAL 911 MOU

Mediation and Conciliation Service to submit a list of seven (7) arbitrators. The parties shall select the arbitrator by alternately striking names (beginning with the Union) from a list until one (1) name remains. Such person shall then become the arbitrator.

The arbitrator so selected shall hold a hearing within a reasonable timeframe at a time and place convenient to the parties.

The arbitrator's decision shall be submitted to the City Manager with copies to all parties. The City Manager may adopt, reject, or modify the arbitrator's decision. The City Manager's decision shall be rendered in writing within thirty (30) calendar days of receipt of the arbitrator's decision. The City Manager's determination constitutes a final administrative action by the City subject to judicial review pursuant to Code of Civil Procedure Section 1094.5.

Costs of the arbitrator shall be borne by the City.

### **ARTICLE 31: RELEASE TIME**

In addition to any release time Union stewards are entitled to under the law, the City will allow a maximum of two (2) Union stewards a reasonable amount of time (during work hours) to process employee grievances subject to approval by the employees' Division or Department Head.

Additional stewards may be released for City-wide issues (such as issues of mutual interest of the City and the Union, labor-management meetings, providing representation to members at administrative interviews, meetings in which an employee will be questioned about work-related conduct, or interactive process meetings) with approval of the Human Resources Director and the employees' Division or Department Head or designee. If release time to attend a meeting has been approved by the Human Resources Director, the employee should provide their immediate supervisor with the approximate start and end time (or anticipated end time if not known) of the need to attend to Union business. Unless the meeting is scheduled with less than two working days' notice, notification to their supervisor should be made as soon as they are aware they will need release time and no later than two working days in advance of the meeting. If a request for release time cannot be accommodated because of workload, the supervisor will offer an alternative time/times or the employee may find another representative who is available at the designated. Unless expressly permitted by law or otherwise authorized by the Human Resource Director or their designee, other Union business shall not be conducted during an employee's work hours.

If a City facility or room is requested to conduct Union business, a request must be made per the room reservation protocol for the room to determine if the room/facility is available for use.

The Union will provide written notification to the Human Resources Director or their designee of the names and positions of the union stewards and any changes to their employee representatives. In addition, to the above, annually, the City shall grant each steward (up to a maximum of six (6)), release time to attend a union-conducted seminar or training. The Union agrees to provide at last two (2) weeks advanced notice of the seminar.

## **ARTICLE 32: WORK STOPPAGE PROHIBITION**

### **Prohibited Conduct**

- a) The union, its officers, agents, representatives, and members, agree that they will not call for, engage in, or honor any strike (including a sympathy strike and unfair labor practice strike, walkout, work stoppage, sickout, blue flu, intentional disruption of City services, concerted withholding of or refusal to perform services, or any similar job action by employees represented by the Union, any other employee or group of employees of the City, or any union or association of employees. However, neither the Union nor any of its members waive their rights (1) under Section 6300 et seq. of the California Labor Code to refuse to work under unsafe conditions; or (2) under the United States and California Constitutions to exercise their rights of freedom of speech, assembly and association (such as by engaging in lawful informational picketing).
- b) In the event that the Union, its officers, agents, representatives, or members engage in any of the conduct prohibited above, the Union shall immediately instruct, in writing, any persons engaging in such conduct that their actions are in violation of this MOU and are unlawful, and that they must immediately cease such conduct and return to work.
- c) In the event the Union carries out in good faith its responsibilities set forth in Paragraph 2 above, it shall not be liable for the actions of any individual who participates in conduct prohibited by Paragraph 1 above. Any employee who participates in any conduct prohibited above or violates any other City rule or regulation, shall be subject to disciplinary action including termination by the City. This shall not abrogate the right of any employee to receive all due process guaranteed to them in procedures relating to disciplinary action.

## **ARTICLE 33: DUES DEDUCTION**

The Finance Department shall deduct union dues from all employees who have signed a written authorization and a copy of that authorization has been provided to the Finance Department. Employees on leave without pay or employees who earn a salary less than the union deduction shall not have a union dues deduction for that pay period.

The Union shall set the dues amount pursuant to the International Brotherhood of Teamsters (IBT) constitution and notify in advance all affected employees and the City if the amount will change. The Union shall inform the Payroll Division in writing of any changes in the membership status of any Union members. Employee requests to cancel or change deductions shall be directed to the Union.

On an annual basis, the Union shall provide the Human Resources Director with a copy of the Union's certified financial report. The City shall provide the Union a list of all unit members and dues paying status with each union dues check remitted to the Union.

The Union shall provide full protection to the City by indemnifying, defending and holding the City harmless from and against all claims and liabilities as a result of deducting dues from employees who have authorized the deduction.

## **ARTICLE 34: LAYOFF LANGUAGE**

### **LAYOFF PROCEDURE**

- a) Purpose: The purpose of this article is to provide a means by which employees are to be demoted or laid off when a reduction in force occurs.
- b) Definition: A layoff means a separation resulting from lack of work, lack of funds, abolishment of a position, or elimination or reduction in service level.
- c) The Human Resources Director shall send written notice to the last known address of each employee affected by a layoff at least ten (10) days prior to the effective date of the action. The notice shall include the: (a) reason for layoff (i.e., lack of work or funds, abolishment of a position or elimination or reduction in a particular service level); (b) classes or positions to which the employee may transfer or demote within the department, if any; (c) effective date of the action; (d) seniority of the employee within the abolished classifications; (e) an explanation of how the seniority was determined or computed; (f) the conditions governing retention on and reinstatement from reemployment lists; and (g) rules regarding the waiver of reinstatement and voluntary withdrawal from the reemployment list.
- d) Order of Layoff: The first person laid off in a classification will be the employee in the department with the least amount of City-wide seniority defined as continuous City service, including probationary periods successfully completed. The City is required to use the "seniority rule" in implementing layoffs in accordance with California Government Code section 45100. If two (2) employees have the same amount of seniority, the appointing authority shall determine who will be laid off first, based on performance evaluations or other documentable circumstances.
- e) Non-Discrimination in Reduction in Force: Layoffs and demotions which result from a reduction in force shall be made without regard to an employee's protected class status.
- f) Checkout Upon Layoff, Separation, or Termination: Any employee who is laid off, terminated, or who separates from the service for any reason shall not receive their final paycheck until they have turned in to their supervisor all City-owned equipment, including their City identification card, and has cleared with their Department Head the disposition of any clothing, tools, and other working materials that have been provided to them by the City, and has completed all exit interviews and forms which may be required by City Manager.
- g) Bumping: An employee designated to be laid off may bump into any vacant position in the same classification elsewhere in the City, or into any position of the same classification held by an employee with lessor seniority elsewhere in the City. If no such position exists, the employee may bump into the next lower classification within the same department, provided that the employee has previously held permanent status in such classification with the City. Thereafter, an employee may bump into any position previously held position by them in the City, provided that the occupant of such position has lessor seniority than the employee being laid off. An employee who is bumped shall be laid off in the same manner as an employee whose position is abolished.

## TEAMSTERS LOCAL 911 MOU

- h) Order and Method of Demotion Pursuant to a Reduction in Force - Required due to a reduction in force, employees shall be demoted in the following manner:
  - i) Employees who are involuntarily demoted, who have held permanent status in a lower classification shall have the right to bump employees of lessor seniority in that lower classification, if the employee exercising the bumping privilege has more classification seniority than the incumbent in the class to which the employee is bumping.
  - ii) Employees who have not actually held a lower classification shall be allowed to demote to a position held by a City probationary employee in such lower class, but may not bump a City employee in a lower classification who has passed probation.
  - iii) The employee with the least seniority shall be demoted first. Whenever two (2) or more employees have the identical seniority status, the employee with the lowest performance rating shall be demoted first. All persons so demoted shall have their names placed on the classification reinstatement eligible list.
- i) The employee laid off as a result of a displaced employee's reversion to a lower classification shall receive written notice of layoff not less than ten (10) days prior to the effective date of the layoff. The names of permanent employees who have been laid off due to reduction in force shall be placed on an appropriate layoff/reinstatement list according to the date of separation and shall be based on: last employee laid off is the first employee on the list with other employees eligible in sequential order thereafter. Such list shall be used by the appointing officer when a vacancy for that class is to be filled before certification.
- j) Duration of Reinstatement and Reemployment Lists: The eligibility of individuals on the Reinstatement and Reemployment Lists shall extend for a period of two (2) years from the date of demotion or layoff. Eligible employees not responding to written notification of an opening within ten (10) working days shall have their names removed from either the Reemployment or Reinstatement List.
- k) Notice of Recall From Layoff Shall be by Return Receipt - Requested Mail and shall specify the date for reporting to work which shall not be more than two (2) weeks from the date the notice is received. Notice shall be deemed to have been received when sent to the last known address on file with the City and attempted delivery or delivery is certified by the Postal Service. Upon receiving notice, the person on layoff shall have three (3) days to accept or decline the recall opportunity.

An employee who fails to respond in writing within the three (3) days, refuses recall, or fails to report on the prescribed date within the two (2) week maximum, thereby waives all further right to recall and reinstatement as an employee.

Where recall is declined, the City will proceed to the next senior person on the Reinstatement List and follow the same notice and respond procedure. This process will continue through the list until recall needs are met on the list.

## TEAMSTERS LOCAL 911 MOU

Reinstated employees shall receive the following:

- i) Retention of permanent full-time service seniority accrued as of date of layoff.
  - ii) The salary for the classification in effect as of the date of return, at the same step level as the date of layoff not to exceed the sixth step.
  - iii) The accrual rate of vacation and sick leave in effect for the employee's seniority level and class at the time of rehire, but insurance contributions shall be at the level of a new employee while serving the obligatory probation period of six (6) months.
  - iv) All other benefits or programs in effect at the time of layoff shall be forfeited unless they are still applied to the classification or salary range at the time of rehire or provided to new hires as of that date.
- l) Obligation to Serve Probationary Period: A person appointed from a reemployment list or classification reinstatement list must serve a new probationary period if recall from such list occurs more than one (1) year after the effective date of layoff. The new probationary period in such circumstances shall be not less than six (6) months.
- m) Resignation in Lieu of Recall: An employee who elects to resign in lieu of layoff or while laid off shall forfeit all rights to reinstatement, and be entitled only to those rights related to severance from the service.

### **ARTICLE 35: LABOR MANAGEMENT COMMITTEE**

The parties agree that regular meetings to explore mutual problems and issues will be beneficial to the relationship between the City and Union. The parties agree to meet on an as-needed basis. The purpose of the meetings is to exchange information and to solve problems. The parties agree that such meetings shall not be negotiations and therefore the results of the meetings shall not be binding on the parties unless they develop and execute a document that memorializes their results or reach agreements they wish to memorialize.

### **ARTICLE 36: SAVINGS CLAUSE**

If any section, subsection, subdivision, sentence, clause, or phrase of this MOU is for any reason held to be illegal or unconstitutional, such decision shall not affect the validity of the remaining portions of this MOU.
