

Anti-Littering Storyboards in Polliwog Park

By Melia Tsai, Aylee Baca,
and Niamh Adamis

Why?

Littering affects:

- ★ Wildlife
- ★ Safety of the park
 - ★ Diseases, unclean, etc
- ★ Overall atmosphere of the park
 - ★ Litter makes it unappealing

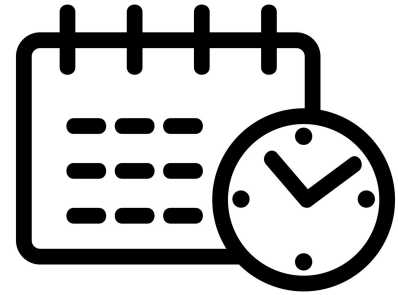

What?

- ★ Community project to prevent littering
 - ★ Designed for engagement with kids and families
 - ★ Idea:
 - ★ Rotating stories/art in existing story placards

When?

Deadline: Sunday, August 31st

How?

Finalize designs with community input

Partner with city for installation

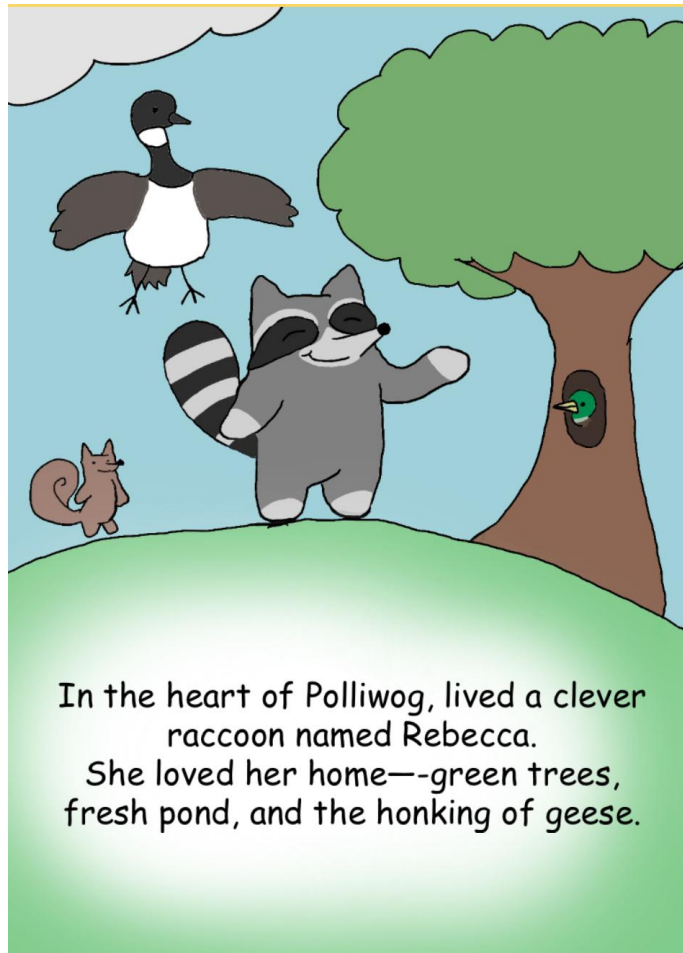

Use existing infrastructure

A light red, cloud-like shape with a darker red outline, containing the text 'Stay open to feedback'.

Stay open to feedback
