### Wastewater Rate Study Report

A written [Wastewater Rate Study Report](#) prepared by Black & Veatch, an independent financial consulting firm specializing in cost-of-service analyses and rate setting, is on file in the office of the City Clerk and available for public inspection. The net impact of the proposed changes in the wastewater service rates for customers will vary based on actual wastewater produced and meter size.

Public Works staff presented the rate analysis at the [City Council meeting on March 21, 2023](#). It is item number 9 on the agenda under General Business.
