 6:30 – 7:30 PM schematic design discussion

Where: Marine Avenue Park Hall
 1625 Marine Avenue
 Manhattan Beach, CA 90266

The City of Manhattan Beach will be holding a community input meeting on May 18, 2016 to receive final input on design elements for the skate spot. City Council approved the Skate Spot project at the January 19, 2016 City Council meeting. The project will be funded through a \$300,000 grant from Los Angeles County. The approved project location and conceptual design are attached. Skate park designer, Kanten Russell from Stantec's Action Sports Team will facilitate the design discussion to include: skate elements, lighting, landscaping and other park amenities. The final designs will be presented at the June 7, 2016 City Council meeting for final approval.

It is important that your voice is heard! There are a variety of ways to share your input:

- 1) Attend the upcoming meeting to provide your input
