

To: David Carmany and Liza Tamura et al:

Please attach this email and attachment to the Staff Report on the subject of Open Government which is now scheduled for October 1, 2013 and confirm via email that you will do so and have done so. It seems that all too often correspondence from concerned /interested citizens is omitted and I wish that this not be- I also supplied you personally with a copy of the Alameda Ordinance which is referenced in the attached email dated August 13, 2013 . I thank you in advance for attaching both items to the Staff report which I understand will be generated for the October 1, 2013 MB City Council Meeting. Thank you for your assistance in this matter Liza Tamura and Dave Carmany.

Respectfully requested,

William Victor, MB Property Owner
