

RESOLUTION NO. 15-0006

A RESOLUTION OF THE MANHATTAN BEACH CITY COUNCIL
AMENDING SECTION 21 (THROUGH STREETS AND STOP
INTERSECTIONS) OF RESOLUTION NO. 2715 (THE TRAFFIC
RESOLUTION)

THE MANHATTAN BEACH CITY COUNCIL DOES HEREBY RESOLVE AS
FOLLOWS:

Section 1. Section 21 (Through Streets and Stop Intersections) of City Council Resolution No. 2715 shall be amended to add two stop signs at the intersection where the northern and southern segments of John Street meet Ninth Street, with all other provisions in Resolution No. 2715 to remain unchanged:

	<u>Intersection</u>	<u>Entrance</u>
21n-5.	Ninth Street and John Street	Northerly and Southerly

Section 2. The City has environmentally reviewed this proposed traffic control device, pursuant to the California Environmental Quality Act (Public Resources Code Sections 21000, *et seq.* ("CEQA"), the State CEQA Guidelines (California Code of Regulations, Title 14, Sections 15000 *et seq.*), and the City's environmental guidelines. Pursuant to CEQA Guidelines Section 15301, the City has issued a Class 1 Categorical Exemption because the traffic control device authorizes a minor alteration to the City's existing streets involving only a negligible change in the use of the City's existing streets.

Section 3. This Resolution shall take effect immediately.

Section 4. The City Clerk shall certify to the adoption of this Resolution.

PASSED, APPROVED and ADOPTED this ___th day of _____, 2015.
