Honorable Mayor and
Members Of the City Council
Manhattan Beach, CA

We would like to call your attention to a safety issue on Park View Avenue. In front of the Marriott Hotel there is no sidewalk on either side of the street. People who park their cars along Park View have to use the road to find their way to a destination. Many residents here at the Manhattan Village Senior Villas walk to CVS, Bristol Farms, or further to Trader Joes and the shops in that mall. It is dangerous to negotiate the 1400 block where no sidewalk is provided.

We request you consider installing a sidewalk .
