

RESOLUTION NO. 12-6422

1 A RESOLUTION OF THE MANHATTAN BEACH CITY COUNCIL
2 DELEGATING TO THE CITY MANAGER AUTHORITY TO TAKE ACTION
3 IN EMERGENCIES WITHOUT COMPETITIVE BIDS PURSUANT TO
4 CALIFORNIA PUBLIC CONTRACT CODE SECTION 22050, DECLARING
AN EMERGENCY, AND AUTHORIZING REPLACEMENT AND
INSTALLATION OF TWO BOOSTER PUMP MOTORS AT THE PECK
RESERVOIR BOOSTER STATION

5 THE CITY COUNCIL OF THE CITY OF MANHATTAN BEACH DOES HEREBY RESOLVE:

6 Section 1. The City of Manhattan Beach ("City") operates four submersible
7 booster pump motors at the Peck Reservoir Booster Station to maintain appropriate pressure
8 for the City's water distribution system. Two of the four motors at the Peck Reservoir Booster
9 Station recently failed after an incoming voltage spike from the electrical power utility, which
10 damaged the motors beyond repair. In order to maintain appropriate pressure in the City's
11 water system, staff determined that the pump motors needed to be replaced immediately.

12 Section 2. On August 13, 2012, the City staff placed an emergency call to
13 General Pump Company, Inc. ("Contractor") for them to replace and install two submersible
14 booster pump motors at the Peck Reservoir Booster Station. On October 18, 2012, the
15 Contractor completed the installation of the two pump motors.

16 Section 3. Based upon the foregoing, and based upon substantial evidence in
17 the record, including but not limited to the staff report and public comment, and in accordance
18 with California Public Contract Code Sections 20168 and 22050, the City Council hereby:

- 19 A. Declares that the public interest and necessity demanded the immediate expenditure
20 of public money to safeguard life, health or property;
21 B. Finds that the above described emergency would not allow for the delay that would
22 result from a competitive solicitation of bids; and
23 C. Authorizes City staff to take any directly related and immediate action required by the
24 emergencies, and procure the necessary equipment, services, and supplies for those
25 purposes, without giving notice for bids to let contracts for such repair.

26 Section 4. In accordance with Public Contract Code Section 22050(b)(1), the
27 City Council hereby delegates to the City Manager the authority to order any action specified
28 in Public Contract Code Section 22050(a)(1) and to expend funds without complying with
29 state competitive bidding requirements, both in relation to the above-mentioned emergency
30 and in relation to any future emergency.

31 Section 5. This Resolution shall take effect immediately. The City Clerk shall
32 make this Resolution available for public inspection.

Section 6. The City Clerk shall certify to the adoption of this Resolution and
thenceforth and thereafter the same shall be in full force and effect.

PASSED, APPROVED AND ADOPTED this 4th day of December 2012.
