Dear Mr. Lelchuk,

Thank you for your interest in participating in the Manhattan Village Field Re-Turf Project ("Project") with the City of Manhattan Beach ("City") to improve the Manhattan Village Field (the "Field") located at 1300 Parkview Avenue, Manhattan Beach, CA 90266. City looks forward to working with AYSO as part of Project.

City agrees to the following conditions:

1. AYSO will pay City \$349,663 (the "Donation") upon execution of this Agreement. The Donation shall be placed in a specific Project account and will only be used for construction of the Manhattan Village Field Re-Turf Project. City will not request additional funding from AYSO should City incur cost overruns on Project. The Donation and other funds placed in the specific Project account will not be co-mingled with any other user group or City funds.
2. On or before April 1, 2018, City shall provide to AYSO:
 - a. A hard copy of the plans and specifications for the Field; and
 - b. All additional City requirements for the final engineering plans for Project (for AYSO's reference only).
3. Upon receipt of the Donation, City will begin the bid process for Project construction, in accordance with City's standard practice for soliciting bids for public projects.
4. City will bear responsibility for its internal staff administrative costs of Project, and the Donation will not be used toward staff costs. City will provide quarterly reports to AYSO on how the Donation is used during the specific construction of Project.

6. City shall grant AYSO dedicated and exclusive use of the Field, at a rate of \$20/hour (with no additional fees or charges) for the term of this Letter Agreement, August 27, 2018 to August 26, 2028 pursuant to City's standard field use permit (including, but not limited to indemnification and insurance requirements) annually, for 48 weeks, beginning the last Monday in August. "Dedicated and exclusive use" means that AYSO will have exclusive, first priority to the Field on the dates and times as outlined in this Section and that City or third parties may only use the Field on those dates and times if AYSO declines. AYSO can modify the dates and times of its dedicated and exclusive use of the Field, but only if City provides prior written authorization of such modifications.
