THE MANHATTAN BEACH CITY COUNCIL RESOLVES AND FINDS AS FOLLOWS:

SECTION 1. The City Council conducted a public hearing pursuant to applicable law on December 5, 2017 to consider amendments to the Local Coastal Program (LCP) to amend Title A to refine medical-related land use classifications and the off-street parking requirements for Urgent Care Offices. At the December 19, 2017 regular meeting, the City Council adopted Ordinance No. 17-0029.

SECTION 2. The proposed zone text amendments are exempt from the California Environmental Quality Act (CEQA) requirements pursuant to CEQA guidelines Section 15061(b)(3) because it can be seen with certainty that the amendments will not have the potential for any impacts on the environment. In addition, the action taken herein is not a “project” within the meaning of CEQA.

SECTION 3. The City Council finds that the Amendments to the LCP are consistent with Policy II.1 of the LCP Policies and Implementation Measures which states “Control Development within the Manhattan Beach coastal Zone”.

SECTION 4. The City Council certifies that the subject amendment will be implemented in a manner fully in conformity with the California Coastal Act of 1976, as amended, and the City of Manhattan Beach Local Coastal Program.

SECTION 5. The City Clerk shall certify to the adoption of this Resolution.
