

RESOLUTION NO. 26-0048

A RESOLUTION OF THE MANHATTAN BEACH CITY
COUNCIL APPROVING THE CAPITAL IMPROVEMENT
PROGRAM FOR FISCAL YEARS 2026-2027 THROUGH
2030-2031

THE MANHATTAN BEACH CITY COUNCIL HEREBY RESOLVES AS
FOLLOWS:

SECTION 1. The City Council hereby makes the following findings:

A. The Manhattan Beach City Council desires to develop a proactive capital improvement plan to meet the community's needs for future services, programs, and facilities. The City Council wishes to improve the City's ability to continue providing essential services in emergency situations.

B. On May 5, 2026, and May 12, 2026, the proposed Capital Improvement Program was presented to the City Council at a City Council meeting for discussion. At the conclusion of these discussions, the City Council accepted the proposed Capital Improvement Program with modifications, which are reflected in the Capital Improvement Program presented at the June 2, 2026, Public Hearing.

C. The City Council hereby finds that it can be seen with certainty that there is no possibility that the adoption of this Capital Improvement Program may have a significant effect on the environment. The Capital Improvement Program is a prioritizing and funding allocation program and cannot and does not have the potential to cause a significant effect on the environment. No physical activity will occur until all required environmental review is conducted at the time the physical improvements prioritized in the Capital Improvement Program are undertaken at a future, unspecified date. Accordingly, the adoption of this Capital Improvement Program is therefore exempt from the environmental review requirements of the California Environmental Quality Act pursuant to Section 15061(b)(3) of Title 14 of the California Code of Regulations.

SECTION 2. That certain document entitled the "City of Manhattan Beach, California, FY 2026-2027 through FY 2030-2031 Capital Improvement Program," a copy of which is on file in the office of the City Clerk, which may hereafter be amended by the Council, is hereby approved and adopted.

SECTION 3. The City Clerk is directed to maintain three copies of the Capital Improvement Program on file at all times for inspection by the public.

SECTION 4. By approval and appropriation of funds for the FY 2026-2027 Capital Improvement Program projects as part of the City's Operational Budget, and approval of the FY 2027-2028 through FY 2030-2031 outlying years' Capital Improvement Program projects, it is the intent of the City Council to revise the plan each year by continuing to identify capital improvement projects within its

five year plan and by re-prioritizing existing capital improvements as needed to serve the community.

SECTION 5. This resolution shall take effect immediately upon adoption.

SECTION 6. The City Clerk shall certify to the adoption of this resolution.

ADOPTED on June 2, 2026.
