ROWELL AVE
STREET SWEEPING SIGN LOCATION MAP

Rowell 2012

ROWELL CURRENT DAY

BACKGROUND

- Current approach: Petition process to opt in or out
- 66% (two-thirds) of property owners in favor required
- Street sweeping still occurs on these streets
- Vehicles on streets that are void of “no parking” signs will not be issued a citation
- Rowell Avenue between 19th and Marine was inspected in 2022 for improperly removed signs

DISCUSSION

- Three abandoned poles on Rowell 2100/2200 block
- “No Parking” signs were removed in 2001 with Petitions
- At that time, staff was directed to remove the signs but leave the poles
- If the City Council does not direct staff to reinstall signage, Public Works will remove the poles

STAFF RECOMMENDATION

- Staff recommends that the City Council provide direction on the reinstallation of “no parking” signs on Rowell Avenue between 19th Street and Marine Avenue.
