2. Consideration of Veterans Day Event Enhancements (Zimbalist, Doran, Aggarwal):

Committee chair Zimbalist updated, per staff report. The committee has met with Director Leyman and developed an extensive outline for an enhanced city Veterans' Day event which Commissioner Zimbalist reviewed in detail. Three main goals were identified: larger event, more community engagement; and for the holiday to be more meaningful to military veterans.

Commissioner Zimbalist, sharing an aerial map of the proposed event area and staff report, covered:

a. Expansion content (participation by Veterans and Military organizations; and Static Military Displays, and

b. Community Engagement Strategy, involving students, active veterans, and publicity as

well as suggested no cost “wow” enhancements, and strategies for increasing overall attendance.

It was noted that the event area is proposed to include the greenbelt surrounding the existing memorial at the north side of intersection of 15<sup>th</sup> Street, and only the roadway on Valley adjacent.

The Commission discussed, making the following suggestions, comments:

- If time to plan, can there be a special 5k? or dash for kids? with a dedicated tee shirt.
- Invite Hermosa Beach to participate?
- Engage girl as well as boy scouts
- Clarification: yes, will honor those currently serving in military
- Why not expand area into the Joslyn Center parking lot? And use the MBAC as a staging area?
- Finding community members to engage with: band and choir directors, new MBUSD Superintendent, expected to be on board in April, Little League (for a golf cart parade) local businesses (through Chamber) may want to donate (perhaps create a task force within committee for business outreach - Commissioner Komatinsky can sound out); make a presentation to the Senior Advisory Committee; install street banners (up to six local street locations only; Sepulveda would require special Caltrans permission); see if Hyperion Outfall Serenaders still play? Contact James Gill who is a vet with wide contact.
- Consider: getting business buy-in and support before taking to council; and whether, because of the 250<sup>th</sup> USA anniversary, this inaugural event perhaps should be kept within more prescribed bounds (so not overwhelming) or should proceed with “Go Big or Go Home!” approach?

Commissioner Komatinsky noted she believes it’s a really great idea that the events will take place over days, not only on only November 11<sup>th</sup>.

Commissioner Aggarwal shared a draft website for the event that he has developed, reflecting the outline of the committee so far, which received a glowing reception by the Commission.

A motion was made and seconded (Komatinsky/Schreiner) that the Parks and Recreation Commission host an enhanced Veterans Day event on November 11, 2026. Motion passed by roll call, 7-0.
