

Proclamation

- Whereas,* founded in 1951, National Engineers Week is dedicated to ensuring a diverse and well-educated future engineering workforce by increasing understanding of, and interest in, engineering and technology careers; and
- Whereas,* engineers use their scientific and technical knowledge and skills in creative and innovative ways to fulfill society's needs; and
- Whereas,* engineers face the major technological challenges of our time—from rebuilding towns devastated by natural disaster, cleaning up the environment, and assuring safe, clean, and efficient sources of energy, to designing information systems that will speed our country into the future; and
- Whereas,* engineers are encouraging our young science, technology and math students to realize the practical power of their knowledge; and
- Whereas,* we will look more than ever to engineers and their knowledge and skills to meet the challenges of the twenty-first century.

Now, Therefore, Be It Resolved that I, Hildy Stern, Mayor of the City of Manhattan Beach, California, on behalf of the City Council and the residents of Manhattan Beach, do hereby recognize February 20, 2022 through February 26, 2022 as

National Engineers Week

and together we celebrate the Engineers of the Manhattan Beach Public Works Department who are tasked with improving our city's infrastructure, Capital Improvement Program projects, and city owned assets. Their work is vital to the success of our community and we thank them for all that they accomplish.

Dated this 1st day of February, 2022.
