BUSINESS OUTREACH

- Police Chief met with the Downtown Business Association.
- As part of the Work Plan contract with the Chamber of Commerce that City Council approved in July, staff is preparing for a homelessness business seminar/meeting that will take place in the future.
- City is exploring the use of a trespassing authorization form or letter.

GRANT AUTHORIZATION

- \$216,000 in grant funds was divided into two Tranches.
 - Tranche 1 was \$70,000 for the first 6 months of the MOU.
 - Tranche 2 was \$146,000 for the remaining 12 months the MOU.
- Tranche 2 of the grant was contingent upon the SBCCOG and County of Los Angeles extending their agreement. Therefore, the resolution authorized approval of Tranche 1 only.
- Staff has prepared Resolution Nunc Pro Tunc No. 22-0141 amending Resolution No. 21-0119 to specify the remaining \$146,000 grant to be expended in the City's agreement with Harbor Interfaith Services.

SHARE! HOUSING

- City has placed 7 different individuals into the program.
- Currently, two beds are authorized but program has been impacted and limited dedicated outreach navigators ability to quickly house someone who accepts services.
- Fortunately, Manhattan Beach Safe Alternatives for Everyone (MBSAFE) has provided donations provided SHARE! collaborative funding for approx. 7 individuals since December.
- Staff is proposing to increase the number of beds from two beds provided to five.
