The application shall be presented to the City Manager or designee. If the application complies with the provisions of this chapter and the City’s related regulations and policies, the application shall be granted subject to such conditions that may be necessary to preserve the public health, safety, and welfare. Such decision shall be

subject to appeal to the City Council. Upon approval of an application, a permit shall be issued by the City Manager or designee.

B. **Notice to abate and remove.** Upon the termination, suspension, or revocation of such permit, the permittee shall, upon demand of the City, remove the Banner and any related cables or cable attachments. In the event the permittee fails to remove the Banner, any cables and cable attachments, or portions thereof, the City may remove such items, and the permittee shall reimburse the City for its costs of removal.

C. **Appeal.** The permittee may appeal a decision to suspend or revoke a permit to the City Manager by filing a notice of appeal to the City Clerk within 10 days of the decision.
