Re: Return of Untimely Claim

Dear Mr. Sweeney:

You presented a claim to the City on November 15, 2010, regarding a matter which arose no later than October 6, 2009. This claim is not timely presented under Government Code section 911.2 which requires that this type of claim be presented within one year from accrual.

Your claim is being returned because it was not presented within one year after the event, or occurrence, as required by law. See sections 901 and 911.2 of the Government Code. Because the claim was not presented within the time allowed by law, no action was taken on the claim.

Your only recourse at this time is to apply, without delay, to this office for leave to present a late claim. See sections 911.4 to 912.2, inclusive, and section 946.6 of the Government Code. Under some circumstances leave to present a late claim will be granted. See section 911.6 of the Government Code.

You may seek the advice of an attorney of your choice in connection with this matter. If you desire to consult an attorney, you should do so immediately.

Sincerely,

Robert V. Wadden Jr.,
City Attorney
