Dear Mayor Howorth and Members of the City Council,

Please delay the vote on Ordinance No. 25-0004 until after the April 9 town hall so the public can weigh in. The town residents have a lot to say, and need to feel that you support them.

Please delay the vote on Ordinance No. 25-0004 until after the April 9 town hall so the public can voice their concerns and play an integral part in decisions that directly affect the residents.

As a resident of Manhattan Beach for over twenty years, I was shocked to learn about this proposed ordinance.

Please hear and consider concerns from individuals and families who will be directly impacted by this proposed zoning change. Health, safety and a multitude of other issues, impacts and unintended consequences need to be considered.

Please include this e-mail in the public record for the April 1, 2025 City Council meeting.

Regards,

Sandra S. Lee
