LEGISLATIVE DIGEST: CEQA RESOLUTION

Comparison between draft Project Resolutions presented at the:

- 1. April 29, 2014 City Council meeting**
- 2. May 20, 2014 City Council meeting**

The following changes were made to the draft Project Resolution presented at the April 29, 2014 City Council meeting:

City Council Resolution No. RES 14-0025

1. Section 12. On April 29, 2014, the City Council held a duly noticed public hearing to consider the refined and modified Project. The City Council invited public comment on the refined and modified Project, the draft resolutions and the draft conditions of approval. The City invited representatives of 3500 Sepulveda to provide comments. Principal Mark Neumann and two attorneys spoke for over thirty minutes. After the conclusion of the public testimony, the City Council closed the public testimony portion of the public hearing, and continued the hearing to May 20, 2014.
2. Section 22. The City Council hereby certifies that prior to taking action, the City Council reviewed and considered the Final EIR and all of the information and data in the administrative record, and all oral and written testimony presented to it during meetings and hearings and certifies that the Final EIR reflects the City's independent judgment and analysis, is adequate and was prepared in full compliance with CEQA. No comments or any additional information submitted to the City, including but not limited to the evidence and legal argument presented on April 29, 2014, have produced any substantial new information requiring recirculation or additional environmental review of the Project under CEQA.
