

## ORDINANCE NO. 16-0029

### AN ORDINANCE OF THE CITY OF MANHATTAN BEACH AMENDING THE ZONING MAP AND TITLE 10 OF THE ZONING CODE TO REFLECT THE DOWNTOWN SPECIFIC PLAN

THE MANHATTAN BEACH CITY COUNCIL HEREBY FINDS, RESOLVES, AND  
ORDAINS AS FOLLOWS:

SECTION 1. On December 6, 2016, the City Council held a duly noticed public hearing to consider the Downtown Specific Plan and the related amendments to the Manhattan Beach General Plan, zoning code, zoning map, and Local Coastal Program (“LCP”), and the Initial Study/Mitigated Negative Declaration (“MND”) prepared in compliance with the California Environmental Quality Act.

SECTION 2. By Resolution No. 16- 0075, the City Council adopted the Downtown Specific Plan and related amendments to the Manhattan Beach General Plan. To implement the Downtown Specific Plan, it is necessary to amend Municipal Code Title 10 to reflect and reference the requirements and provisions of the Downtown Specific Plan, and to amend the Zoning Map to reflect the Specific Plan designation.

SECTION 3. The Planning Commission held a duly noticed public hearing on October 26, 2016, to consider its recommendation of the Downtown Specific Plan and the related amendments to the Manhattan Beach General Plan, zoning code, zoning map, and LCP. By Resolution No. PC 16-07, the Planning Commission recommended adoption of the zoning map and zoning code amendments.

SECTION 4. CEQA. In accordance with the provisions of the California Environmental Quality Act (“CEQA”) and the CEQA Guidelines, the City prepared an Initial Study/Mitigated Negative Declaration (“MND”), which analyzed the potential environmental impacts of the Downtown Specific Plan and amendments to the General Plan, zoning map, zoning code, and Local Coastal Program (“Project). By Resolution No. 16-0075, the City Council made findings under CEQA and adopted the MND and Mitigation Monitoring and Reporting Program for the Project. The City Council’s CEQA findings and adoption in Resolution No. 16-0075 are incorporated hereto as if set forth in full.

SECTION 5. The City Council finds that the proposed zone text and map amendments are consistent with the proposed General Plan Amendments for the reasons set forth in Resolution No. 16-0075. In addition, these amendments are consistent with the General Plan and the Local Coastal Program policies for the reasons set forth in the Land Use and Planning section of the MND, a corrected excerpt of which is attached to Resolution No. 16-0075 as **Exhibit E** and incorporated hereto as if set forth in full.

SECTION 6. The City Council finds that the proposed Zone Text and Map Amendments are consistent with the proposed Downtown Specific Plan because the zone text and map changes reflect and reference the regulations established by the Downtown Specific Plan.

**SECTION 7.** The City Council hereby replaces the Manhattan Beach Zoning Map with the Zoning Designations Map attached as **Exhibit A** to this Resolution to add a new designation for the Downtown Specific Plan Area entitled “D8 – Design Review – Downtown Specific Plan.”

**SECTION 8.** The City Council hereby amends Municipal Code Title 10 (Planning and Zoning), Chapter 10.12 (Residential Districts), Section 10.12.020 to replace the first paragraph as follows:

**“10.12.020 - Land use regulations: RS, RM, RH, RPD, and RSC districts.**

In the following schedule, the letter "P" designates use classifications permitted in residential districts. The letter "L" designates use classifications subject to certain limitations prescribed under the "Additional Use Regulations" which follows. The letter "U" designates use classifications permitted on approval of a use permit, as provided in Chapter 10.68. The letters "P/U" for accessory uses mean that the use is allowed on the site of a permitted use, but requires a use permit on the site of a conditional use. Letters in parentheses in the "Additional Regulations" column refer to "Additional Use Regulations" following the schedule. Where letters in parentheses are opposite a use classification heading, referenced regulations shall apply to all use classifications under the heading.

In addition to these regulations, the Downtown Specific Plan governs the R Residential District within the Downtown Specific Plan Area, as shown on the Zoning Map. If conflicts exist between these regulations and the Downtown Specific Plan regulations, the Specific Plan regulations shall prevail in the Downtown Specific Plan Area.”

**SECTION 9.** The City Council hereby amends Municipal Code Title 10 (Planning and Zoning), Chapter 10.12 (Residential Districts), Section 10.12.030 to replace the first paragraph as follows:

**“10.12.030 - Property development regulations: RS, RM, and RH districts.**

The following schedule prescribes development regulations for residential zoning districts in each area district, as defined in Section 10.01.060(A)(2) and designated on the zoning map. The columns establish basic requirements for permitted and conditional uses; letters in parentheses in the "Additional Regulations" column refer to "Additional Development Regulations" following the schedule. This section shall not be amended to increase the standards for maximum height of structures or maximum buildable floor area, or to reduce the standards for minimum setbacks, minimum lot dimensions or minimum lot area per dwelling unit, unless the amendment is first submitted to a city-wide election and approved by a majority of the voters.

In addition to these regulations, the Downtown Specific Plan governs the RH Residential High Density District within the Downtown Specific Plan Area, as shown on the Zoning Map. If conflicts exist between these regulations and the Downtown Specific Plan regulations, the Specific Plan regulations shall prevail in the Downtown Specific Plan Area.”

**SECTION 10.** The City Council hereby amends Municipal Code Title 10 (Planning and Zoning), Chapter 10.16 (C Commercial Districts), Section 10.16.010 (Specific purposes) to replace the CD Downtown Commercial District paragraph to read as follows:

**“CD Downtown Commercial District.** To provide opportunities for commercial, mixed use, residential, public, and semipublic uses and to preserve and enhance the small town character of the downtown area, the heart of the community. This district is intended to create a vibrant, charming area consistent with the vision and goals for the Downtown Specific Plan.”

**SECTION 11.** The City Council hereby amends Municipal Code Title 10 (Planning and Zoning), Chapter 10.16 (C Commercial Districts), Section 10.16.020 to replace the first paragraph and tables as follows, with no amendments to the lettered “Additional Land Use Regulations”:

**“10.16.020 - CL, CC, CG, CD, CNE districts: land use regulations.**

In the following schedules, the letter "P" designates use classifications permitted in commercial districts. The letter "L" designates use classifications subject to certain limitations prescribed by the "Additional Use Regulations" that follow. The letter "U" designates use classifications permitted on approval of a use permit. The letters "P/U" for an accessory use mean that the use is permitted on the site of a permitted use, but requires a use permit on the site of a conditional use. Use classifications that are not listed are prohibited. Letters in parentheses in the "Additional Regulations" column refer to regulations following the schedule or located elsewhere in this title. Where letters in parentheses are opposite a use classification heading, referenced regulations shall apply to all use classifications under the heading.

In addition to these regulations, the Downtown Specific Plan governs the CD District within the Downtown Specific Plan Area, as shown on the Zoning Map. If conflicts exist between these regulations and the Downtown Specific Plan regulations, the Specific Plan regulations shall prevail in the Downtown Specific Plan Area.

(A) Dwelling units as the sole use on a site shall be subject to the standards for residential development in the RH district and the area district in which the site is located, except as follows:

(1) CD district: the commercial standard for building height shall apply when dwelling units replace commercial use.

(2) CNE district, D-5 overlay: if an RH district standard conflicts with an overlay standard (Section 10.44.040), the overlay standard shall apply.

(B) See Section 10.60.020, Development of substandard lots.

(C) See Section 10.60.040, Building projections into yards and required open space. Double-frontage lots shall provide front yards on each frontage.

(D) A minimum ten-foot (10') building setback shall be provided along the west side of Sepulveda Boulevard as measured from the Sepulveda street property line prior to any required dedications.

(E) Along a rear property line abutting an R district, structures shall not intercept a 1:1 or forty-five-degree (45°) daylight plane inclined inward from a height of fifteen feet (15') above existing grade at the property line. Along a side property line abutting an R district, structures shall not intercept a sixty-degree (60°) daylight plane inclined inward from a height of twenty feet (20') above existing grade at the property line.

REQUIRED DAYLIGHT PLANE  
AT ADJOINING DISTRICTS  
(THE DIAGRAM IS ILLUSTRATIVE)

(F) A roof pitch of at least four (4) vertical feet for each twelve (12) lineal feet of roof area is required. If the roof pitch is less, the maximum building height is twenty-two feet (22') unless structure parking is provided at or below the ground level.

(G) (Reserved)

(H) See Section 10.60.050, Measurement of height, and Section 10.60.060, Exceptions to height limits.

**(I) Planting Areas.**

(1) Required yards shall be enclosed by a solid concrete or masonry wall at least six feet (6') in height or shall be planting areas, provided that a wall within fifteen feet (15') of a street property line shall not exceed three feet (3') in height.

(2) In the CG and CC districts, the minimum percentage of the site to be landscaped may be reduced one percent (1%) for each section of street frontage improved with an adjoining landscaped strip, the dimensions of which are minimally: twenty-five feet (25') in width and, in length, a dimension equivalent to twenty percent (20%) of the street frontage, where width is measured perpendicular to the street and length is measured parallel to the street. For purposes of calculation, the frontage allocated to driveways and walks shall not be counted.

(3) For additional site landscaping requirements, see Section 10.60.070, Landscaping, irrigation and hydroseeding. Conformance with the design standards specified in Section 10.60.070 may result in a total site landscaping requirement that exceeds the minimum site requirements of this section.

(J) (Reserved)

(K) Fences and Walls. A solid masonry or concrete wall is required for all commercial properties where they abut or adjoin a ground-floor residential use or residentially zoned property. The minimum height of a fence or wall is six feet (6') as measured from the finished grade of the commercial property. However, a wall within five feet (5') of a street property line shall be a minimum of three feet (3') in height as measured from the residential property.

The maximum height of a fence or wall shall be eight feet (8') as measured from the finished grade of the commercial property unless a greater height is mutually agreed upon for a common property line by the abutting property owners and approved by the Community Development Department.

(L) (Reserved)

(M) (Reserved)

(N) See Chapter 10.64, Off-Street parking and loading regulations.

(O) See Section 10.60.140, Solar-assisted water heating.

(P) In a mixed use development, the residential standards for the RH district and area district in which the site is located shall apply to a building or portion of a building intended for residential use, and commercial standards shall apply to a building or portion of building intended for commercial use, except as follows:

(1) CD district:

FAR and Building Height shall comply with applicable requirements in the Downtown Specific Plan.

(2) CL and CNE districts:

(a) FAR: the commercial standard for maximum FAR shall apply to the entire project.

(b) CNE district D-5 overlay: if an RH district or commercial standard conflicts with an overlay standard (Section 10.44.040), the overlay standard shall apply.”

SECTION 13. The City Council hereby amends and restates Municipal Code Title 10 (Planning and Zoning), Chapter 10.24 (OS Open Space District), Section 10.24.020 to replace the first paragraph as follows:

**“10.24.020 - Applicability.**

The OS district shall be the base district for the use classifications listed in Section 10.24.030 where these classifications have a minimum contiguous site area of 2 acres, including alleys, streets or other rights-of-way. Open-space use classifications on sites of less than 2 acres shall be subject to the regulations of the base and overlay districts in which they are located.

In addition to these regulations, the Downtown Specific Plan governs all sites within the Downtown Specific Plan Area, as shown on the Zoning Map. If conflicts exist between these regulations and the Downtown Specific Plan regulations, the Specific Plan regulations shall prevail in the Downtown Specific Plan Area.

SECTION 14. The City Council amends and restates Municipal Code Title 10 (Planning and Zoning), Chapter 10.28 (PS Public and Semipublic District), Section 10.28.020 to read as follows:

**“10.28.020 - Applicability.**

The regulations of the PS District shall preclude the regulations of any base district for the use classifications listed in Section 10.28.030, where these uses are permitted in the base district, and have a contiguous site area of 2 acres or more, including alleys, streets, or other rights-of-way. Public and semipublic use classifications on sites of less than 2 acres shall be subject to the regulations of the base and overlay districts in which they are located.

In addition to these regulations, the Downtown Specific Plan governs all sites within the Downtown Specific Plan Area, as shown on the Zoning Map. If conflicts exist between these

regulations and the Downtown Specific Plan regulations, the Specific Plan regulations shall prevail in the Downtown Specific Plan Area.”

SECTION 15. The City Council hereby amends and restates Municipal Code Title 10 (Planning and Zoning), Chapter 10.44 (D Design Overlay District), Section 10.44.010 to read as follows:

**“10.44.010 - Specific purpose and applicability.**

The specific purpose of the D design overlay district is to provide a mechanism to establish specific development standards and review procedures for certain areas of the City with unique needs, consistent with General Plan policies. This will ensure that the low-profile image of the community is preserved and neighborhoods protected from adverse effects of noise and traffic. It also will prevent development that may be detrimental to these areas, such as buildings that affect the privacy of adjoining properties or increases shadows.

Eight subdistricts are established:

D1—Rosecrans Avenue, where higher fences in the front-yard setback area are needed to reduce traffic noise;

D2—11th Street, where limitations on building height and density are needed to minimize building bulk and buffer adjoining residences;

D3—Gaslamp neighborhood, where special design standards and review procedures are needed to preserve existing neighborhood character;

D4—Traffic noise impact areas, where higher fences are needed to reduce traffic noise;

D5—North end commercial, where special design standards are needed for the north end commercial area to accommodate additional residential development;

D6—Oak Avenue, where special design standards, landscaping and buffering requirements are needed to allow commercial use of property in a residential area adjacent to Sepulveda Boulevard;

D7—Longfellow Drive area, including residential lots in Tract 14274 located on Longfellow Drive, Ronda Drive, Terraza Place, Duncan Drive and Kuhn Drive, where a special minimum lot area requirement and restriction on subdivision is needed to preserve the character of the neighborhood, including views and privacy, and prevent unwanted impacts from increased traffic, bulk and crowding that would result from increased density;

D8—Downtown Specific Plan area, where special development criteria and design guidelines are needed to perpetuate quality development, complement and enhance the area’s eclectic style and small town character and encourage Downtown’s future economic vitality.”

**SECTION 16.** The City Council hereby amends Municipal Code Title 10 (Planning and Zoning), Chapter 10.44 (D Design Overlay District), Section 10.44.040 to replace the first paragraph and tables as follows, with no amendments to the lettered “Additional Regulations”:

**“10.44.040 - Building permits to conform to overlay district regulations.**

Applications for building permits for projects within a D overlay district shall be accepted only if project plans are consistent with the development regulations of this chapter and with all other applicable requirements of this Code. The regulations imposed by this section shall apply to any new structures or improvements, intensification of use, or enlargement of an existing structure. The Downtown Specific Plan governs the D8-Downtown Specific Plan Area.

SECTION 17. The City Council hereby amends and restates Municipal Code Title 10 (Planning and Zoning), Chapter 10.68 (Nonconforming Uses and Structures), Section 10.68.010 and its title to read as follows:

**“10.68.010 - Specific purposes and applicability.**

This chapter is intended to limit the number and extent of nonconforming uses by restricting their enlargement, prohibiting their re-establishment after abandonment, and their alteration or restoration after destruction of the structures they occupy. While permitting the use and maintenance of nonconforming structures, this chapter is intended to limit the number and extent of nonconforming structures by regulating and limiting their being moved, altered, or enlarged in a manner that would increase the discrepancy between existing conditions and the standards prescribed in this chapter and by prohibiting (commercial structures only) their restoration after destruction.

In addition to this Chapter 10.68, the Downtown Specific Plan governs nonconforming uses within the Downtown Specific Plan Area, as shown on the Zoning Map. If conflicts exist between this Chapter and the Downtown Specific Plan regulations, the Specific Plan regulations shall prevail in the Downtown Specific Plan Area.”

SECTION 18. The City Council hereby amends Municipal Code Title 10 (Planning and Zoning), Chapter 10.84 (Use Permits, Variances, Minor Exceptions, Precise Development Plans and Site Development Permits), Section 10.84.060, subsections (C) and (D), and to add a new subsection, as follows:

“C. **Downtown Properties.** In addition to the findings in (A) or (B) above and any other requirement in this Chapter, the findings and requirements in the Downtown Specific Plan shall apply to all sites within the Downtown Specific Plan Area, as shown on the Zoning Map.

**D. For Precise Development Plans and Site Development Permits.**

1. The proposed project is consistent with the General Plan and Local Coastal Program;
2. The physical design and configuration of the proposed project are in compliance with all applicable zoning and building ordinances, including physical development standards.

E. **Mandatory Denial.** Failure to make all the required findings under subsections (A), (B), (C), or (D) shall require denial of the application for use permit, variance, precise development plan or site development permit.”

SECTION 19. The City Council hereby amends Municipal Code Title 10 (Planning and Zoning), Chapter 10.84 (Use Permits, Variances, Minor Exceptions, Precise Development Plans and Site Development Permits), Section 10.84.120 to add new subsection L to read as follows:

“L. **Downtown Properties.** In addition to this section and any other requirement in this Chapter, the Downtown Specific Plan governs within the Downtown Specific Plan Area, as shown on the Zoning Map. If conflicts exist between this section and the Downtown Specific Plan regulations, the Specific Plan regulations shall prevail in the Downtown Specific Plan Area.”

SECTION 20. Certification. The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause this Ordinance to be published within 15 days after its passage, in accordance with Section 36933 of the Government Code.
