RE: Appeal of Planning Commission decision of March 29, 2017, to allow  
Expansion of Skechers retail store at 1115, 1117, 1121 Manhattan Avenue

The purpose of this letter and the attached Master Application Form is to appeal the decision of the Planning Commission on March 29, 2017, which permits the expansion of the Skechers retail store at the corner of Manhattan Avenue and Manhattan Beach Blvd in "Downtown" Manhattan Beach. Their decision is contrary to Interim Zoning Ordinance 16-0009-U, and the intent of the recently completed Downtown Specific Plan (DSP).

The Downtown Specific Plan allows for discretion through the Conditional Use Permit (CUP) process. The Planning Commission approved the CUP based on an argument that a little influence over the exterior façade (i.e., the façade will make the Skechers retail store "appear" as if it is three separate stores) merits ignoring the spirit and quantitative specifics of the Downtown Specific Plan. The interior of the store will exceed the maximum allowable under the Interim Zoning Ordinance as well as the Downtown Specific Plan – making it appear larger, and actually be larger than the 1,600 sq ft allowed under both the IZO and the DSP. This is contrary to the ideals set forth in the DSP for retail stores to exhibit a "small-town downtown" character.

We respectfully request City Council to schedule this matter for further public discussion at a date later than April 18, 2017.

Sincerely,

Martha Andreani
