## **BID**

### **CITY OF MANHATTAN BEACH**

#### **Manhattan Village Park Synthetic Turf Replacement**

#### **TO THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF MANHATTAN BEACH:**

The undersigned, as Bidder, declares that: (1) this Bid is made without collusion with any other person and that the only persons or parties interested as principals are those named herein; (2) the undersigned has carefully examined the Contract Documents (including all Addenda) and the Project site; and (3) the undersigned has investigated and is satisfied as to the conditions to be encountered, the character, quality and quantities of Work to be performed, and the materials to be furnished. Furthermore, the undersigned agrees that submission of this Bid shall be conclusive evidence that such examination and investigation have been made and agrees, in the event the Contract be awarded to it, to execute the Contract with the City of Manhattan Beach to perform the Project in accordance with the Contract Documents in the time and manner therein prescribed, and to furnish or provide all materials, labor, tools, equipment, apparatus and other means necessary so to do, except as may otherwise be furnished or provided under the terms of the Contract Documents, for the following stated unit prices or lump-sum price as submitted on the Bid herein.

This Bid is made with the full knowledge of the kind, quantity, and quality of the materials and Work required and, if it is accepted by the City, the Bidder shall enter into a Contract and furnish the bonds, insurance, and other documents as required by the Contract Documents within ten calendar days after award of the Contract. The Bidder agrees that failure to execute and return the Contract or the required faithful performance bond, labor and materials payment bond, warranty bond, and insurance certificates to the City within the ten calendar day period shall be sufficient cause for the rescission of the award and forfeiture of the Bid Security to the City to the extent permitted by law.

Accompanying this Bid is cash, a cashier's check, a certified check or a Bid Bond in an amount equal to at least ten percent of the total aggregate Bid price based on the quantities shown and the unit prices quoted. The undersigned further agrees that, should it be awarded the Contract and thereafter fail or refuse to execute the Contract and provide the required evidence of insurance and Bonds within ten calendar days after delivery of the Contract to the undersigned, then the cash, check or Bid Bond shall be forfeited to the City to the extent permitted by law.

NO cents

**SPECIAL NOTICE TO BIDDERS:** Refer to the "Acknowledgement of required synthetic turf submittals with the bid" on page B-4 herein for information on the required synthetic turf sample and other items to be submitted with the Bidder's bid package (mandatory submittal). If the required submittals are not provided in accordance with the above acknowledgement, the bid shall be deemed non-responsive and will be summarily rejected. The bidder shall also complete the checklist on page I-6. The synthetic turf samples submitted with the bid will be considered in determining bid responsiveness prior to the award of this contract.

**NOTE:** Estimated quantities are for the purpose of Bid comparison only; payments will be made on the basis of actual measurement of Work completed, except for lump sum (LS) and final pay (F) quantities. (S) denotes a specialty item. (F) and (S) will be specified in the "Code" Column. The Bid Price shall include, but not limited to, sales tax and all other applicable taxes and fees. See also Section 9-2 of the General Provisions.

**NOTE:** Items may be adjusted or deleted. Any changes to the quantities for these items shall not constitute a substantial change as referenced in Section 3-2.2.1 of the Standard Specifications. Therefore, regardless of total actual volume (percentage) compared to estimated quantities, the unit prices provided above by the Bidder shall be applied to the final quantity when payment is calculated for these items. No adjustment in the unit prices will be allowed. The City reserves the right to not use any of the estimated quantities; and if this right is exercised, the Contractor will not be entitled to any additional compensation. Cost of all export of material shall be included in the above unit costs; no additional compensation will be granted for such expenses.

The undersigned certifies to have a minimum of three consecutive years of current experience in the type of Work related to the Project and that this experience is in actual operation of the firm with permanent employees performing a part of the Work as distinct from a firm operating entirely by subcontracting all phases of the Work. The undersigned also certifies to be properly licensed by the State as a contractor to perform this type of Work. The undersigned possesses California Contractor's License

Number 589388, Class A C61/D12, which expires on 09/30/2019.

**BID BOND**

**Manhattan Village Park Synthetic Turf Replacement**

KNOW ALL PERSONS BY THESE PRESENTS that:

WHEREAS the City of Manhattan Beach ("Public Agency"), has issued an invitation for Bids for the Work described as follows: Manhattan Village Park Synthetic Turf Replacement, Project number: D-923

WHEREAS Sprinturf, LLC, 550 Long Point Rd. Suite 205, Mt. Pleasant, SC 29464

*(Name and address of Bidder)*

("Principal"), desires to submit a Bid to Public Agency for the Work.

WHEREAS, Bidders are required to furnish a form of Bidder's security with their Bids.

NOW, THEREFORE, we, the undersigned Principal, and Westchester Fire Insurance Company

436 Walnut St., Philadelphia, PA 19106

*(Name and address of Surety)*

("Surety"), a duly admitted surety insurer under the laws of the State of California, as Surety, are held and firmly bound unto the Public Agency in the penal sum of Ten Percent of Amount Bid-- Dollars (\$ 10%), being not less than ten percent of the total Bid price, in lawful money of the United States of America, for the payment of which sum well and truly to be made, we bind ourselves, our heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents.

THE CONDITION OF THIS OBLIGATION IS SUCH THAT, if the hereby bounded Principal is awarded the Contract for the Work by the Public Agency and, within the time and in the manner required by the bidding specifications, enters into the written form of Contract included with the bidding specifications, furnishes the required Bonds (one to guarantee faithful performance and the other to guarantee payment for labor and materials), and furnishes the required insurance coverage, then this obligation shall become null and void; otherwise, it shall be and remain in full force and effect.

In case suit is brought upon this instrument, Surety further agrees to pay all court costs incurred by the Public Agency in the suit and reasonable attorneys' fees in an amount fixed by the court. Surety hereby waives the provisions of Civil Code Section 2845.

IN WITNESS WHEREOF, this instrument has been duly executed by Principal and Surety, on the date set forth below, the name of each corporate party being hereto affixed and these presents duly signed by its undersigned representative(s) pursuant to authority of its governing body.

## WESTCHESTER FIRE INSURANCE COMPANY

Know all men by these presents: That WESTCHESTER FIRE INSURANCE COMPANY, a corporation of the Commonwealth of Pennsylvania pursuant to the following Resolution, adopted by the Board of Directors of the said Company on December 11, 2006, to wit:

"RESOLVED, that the following authorizations relate to the execution, for and on behalf of the Company, of bonds, undertakings, recognizances, contracts and other written commitments of the Company entered into the ordinary course of business (each a "Written Commitment"):

- (1) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise.
- (2) Each duly appointed attorney-in-fact of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise, to the extent that such action is authorized by the grant of powers provided for in such persons written appointment as such attorney-in-fact.
- (3) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to appoint in writing any person the attorney-in-fact of the Company with full power and authority to execute, for and on behalf of the Company, under the seal of the Company or otherwise, such Written Commitments of the Company as may be specified in such written appointment, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.
- (4) Each of the Chairman, the President and Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to delegate in writing any other officer of the Company the authority to execute, for and on behalf of the Company, under the Company's seal or otherwise, such Written Commitments of the Company as are specified in such written delegation, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.
- (5) The signature of any officer or other person executing any Written Commitment or appointment or delegation pursuant to this Resolution, and the seal of the Company, may be affixed by facsimile on such Written Commitment or written appointment or delegation.

FURTHER RESOLVED, that the foregoing Resolution shall not be deemed to be an exclusive statement of the powers and authority of officers, employees and other persons to act for and on behalf of the Company, and such Resolution shall not limit or otherwise affect the exercise of any such power or authority otherwise validly granted or vested.

Does hereby nominate, constitute and appoint Brian M. Perry, Carl R. Wise, Charles W. Seiler, Debra Johnson, Douglas L. Rieder, J. Bart Miller, John W. Miller III, Margaret S. Meyers, Misty L. Haig, S. Lynn Sghianti all of the City of MARIETTA, Georgia, each individually if there be more than one named, its true and lawful attorney-in-fact, to make, execute, seal and deliver on its behalf, and as its act and deed any and all bonds, undertakings, recognizances, contracts and other writings in the nature thereof in penalties not exceeding TEN MILLION DOLLARS & ZERO CENTS (\$10,000,000.00) and the execution of such writings in pursuance of these presents shall be as binding upon said Company, as fully and amply as if they had been duly executed and acknowledged by the regularly elected officers of the Company at its principal office.

IN WITNESS WHEREOF, the said Stephen M. Haney, Vice-President, has hereunto subscribed his name and affixed the Corporate seal of the said WESTCHESTER FIRE INSURANCE COMPANY this 24 day of January 2018

COMMONWEALTH OF PENNSYLVANIA  
COUNTY OF PHILADELPHIA ss.

WESTCHESTER FIRE INSURANCE COMPANY

Stephen M. Haney, Vice President

On this 24 day of January, 2018 before me, a Notary Public of the Commonwealth of Pennsylvania in and for the County of Philadelphia came Stephen M. Haney, Vice-President of the WESTCHESTER FIRE INSURANCE COMPANY to me personally known to be the individual and officer who executed the preceding instrument, and he acknowledged that he executed the same, and that the seal affixed to the preceding instrument is the corporate seal of said Company; that the said corporate seal and his signature were duly affixed by the authority and direction of the said corporation, and that Resolution, adopted by the Board of Directors of said Company, referred to in the preceding instrument, is now in force.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my official seal at the City of Philadelphia the day and year first above written.

  
Notary Public

I, the undersigned Assistant Secretary of the WESTCHESTER FIRE INSURANCE COMPANY, do hereby certify that the original POWER OF ATTORNEY, of which the foregoing is a substantially true and correct copy, is in full force and effect.

In witness whereof, I have hereunto subscribed my name as Assistant Secretary, and affixed the corporate seal of the Corporation, this 19th day of March 2018.

# SPRINTURF UltraBlade DFE EXTREME

# 50

Sprinturf has the most dual fiber fields in the nation. DFE Extreme fields feature a 330 micron plus monofilament and a 120 micron plus slit film. Exclusively made in-house and in America.

The combination of monofilament and parallel-fibrillated fibers interlock to nearly eliminate infill flyout – a common complaint amongst athletes, coaches, and parents. The available two color configuration provides stunning aesthetics.

Sprinturf DFE Extreme fields feature two unique polymer technologies. State of the art C8 monofilament resins from Dow and Nova are married to a proprietary metallacene slit film resin from Exxon. The combined product featuring the greatest polymer suppliers in the world provide unmatched durability with exceptional resilience, playability, and safety.

## HISTORY

Sprinturf is one of the original three artificial turf companies. Formed in 1998, Sprinturf has over 1,600 installations throughout the United States. In 2010, **Integrated Turf Solutions (ITS)**, one of only 2 companies in North America manufacturing the FULL range of artificial turf products, acquired Sprinturf, one of the most reputable turf marketers and installers in the country.

The new Sprinturf became the FIRST fully integrated polyethylene turf company in North America. This was the first step towards a world class model, providing best-in-class economics, logistics, quality and service.

## LOCATIONS

Sprinturf's principal office is located in Charleston, South Carolina, with another corporate location in Atlanta, Georgia. In addition, Sprinturf operates two manufacturing facilities; one in Dadeville, Alabama and the other in Chatsworth, Georgia.

The Dadeville facility extrudes a full range of polyethylene, polypropylene and nylon yarns, including the latest generation of slit film and spinneret monofilament yarns.

The Chatsworth, Georgia facility houses Sprinturf's tufting and urethane coating operations. Together, the Dadeville and Chatsworth facilities have provided yarn and finished synthetic turf products for over 2,000 fields in North America. Sprinturf is the only company in North America that extrudes 100% of their fibers in-house and in America.

## FINANCES & BONDING

Sprinturf is one of only four national synthetic turf companies and it is the only one to own all its American manufacturing facilities, which are worth over \$35 million. Sprinturf also enjoys a long term supply and research relationships Exxon and Dow, the two largest resin suppliers in the industry. Sprinturf's manufacturing & supply capacity is in excess of 25 million square feet annually. Sprinturf carries comprehensive commercial general liability, automobile, liability, and workers' compensation insurance.

In addition, its third-party insured warranty is the best in the industry with a \$20 million per field limit and annual aggregate coverage of \$25 million. Copies of its Certificates of Liability Insurance are included herein for your reference. Finally, Sprinturf has a bonding capacity of \$5 million per project and \$25 million aggregate.

## AT-A-GLANCE

### Only North American company with 100% of Fibers Extrusion, Tufting and Coating performed in-house.

- ✓ 72 hours per field manufacturing time - Lowest in Industry
- ✓ Single point contact for all manufacturing, logistics, installation, and post-sale service

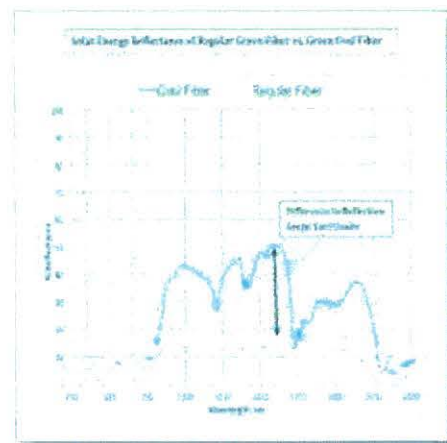

### ISO-9001 certification ensures world class process

- ✓ Listed in 2% of companies worldwide that passed the ISO-9001 audit with ZERO non-compliance in first attempt

### Cool Fiber Technology

- ✓ Reduces field temperatures by 23 degrees
- ✓ Reflects solar heat to keep artificial turf fibers cooler
- ✓ Proprietary reflective technology

### Proprietary Technologies

- ✓ Specialized Dow/Exxon Mobil Polymers with a decade long track record
- ✓ Newest generation of Reimotec/Starlinger extruder (refer to thumb drive)
- ✓ Proprietary urethane coating provides industry leading tuft binds.
- ✓ Patented all rubber infill system provides safest playing surface (see image below)

Sprinturf's vertically integrated manufacturing process and unsurpassed quality control ensures the highest quality turf systems in the industry. We have \$35 million worth of manufacturing assets in our two facilities in Alabama and Georgia. Sprinturf has the newest generation of monofilament and slit tape extrusion lines in our yarn factory that produce our **UltraBlade** and **MX** fibers. Sprinturf extrudes a wide range of polyethylene and nylon yarns, including dual color, dual shape and textured yarns. We use only the highest quality resins and color concentrates to manufacture our yarns.

Our state-of-the-art tufting and coating facility has been in operation since 2004 and is **ISO-9001** certified. Sprinturf tufts and coats a wide variety of synthetic turf products for use in athletic field and landscape applications. Sprinturf's proprietary urethane formulations provide industry-leading tuft binds for all of our turf systems. Our specially designed perforation system provides superior drainage rates versus the competition (greater than 60 inches per hour without infill).

## QUALITY

The Sprinturf system is unique in many ways. Sprinturf is the only turf manufacturer with no field failures over the last decade. Since Sprinturf manufactures 100 percent in house, world-class quality systems are designed around prevention versus detection. Furthermore, SPRINTURF's manufacturing Facility is ISO certified. 100% of the fibers are made in-house and in America. Sprinturf has been manufacturing slit tape fibers since 2002 and spinnerette monofilament since 2006. In addition to quality control, eliminating imports of any kind gives Sprinturf a compliance advantage with U.S. laws and regulations. 100% of the tufting and urethane coating is done in-house, giving us total control of manufacturing from pellet to finished product. We also have a fully equipped in-house lab including Instrons, color cameras, UV weatherometers and a Lisport accelerated wear tester.

## CAPABILITIES

Sprinturf achieved a 99 % on time delivery rate in 2015 versus the typical industry average of 60-70 percent. Sprinturf can manufacture and deliver the synthetic turf for this project in approximately twenty-one (21) days from receipt of approved submittals. By controlling all manufacturing and testing, Sprinturf confidently offers an eight (8) year manufacturer's warranty that is fully insured by a third party. Sprinturf is also the only turf company to guarantee a minimum 10 tuft bind. Thus far, there have been zero fiber failures for all yarns manufactured in Sprinturf facilities.

Sprinturf also offers a unique maintenance program, **SprintCare**. Sprinturf supports you from cradle (resin pellet) to grave (field removed a decade from now) Since there are not multiple hands in the pot, Sprinturf offers the best pricing while making sure all production complies with all EPA and CPSC regulations on heavy metals etc.

## SAFETY

Sprinturf is one of the safest playing surfaces of any kind. It's patented 100% all- rubber system and its standard blend of rubber and sand offer a playing surface that Sprinturf employees would create for their own children. Furthermore, the polymers used in the manufacture of Sprinturf synthetic turf products are purchased from blue chip companies such as Dow and Exxon and have been tested and found to be in compliance with California's stringent Proposition 65.

## AMERICA

Sprinturf is heavily invested in America and American jobs. Sprinturf is the only turf company that manufactures 100% of the turf in-house and in America. Starting with the resin pellet and ending with the installed field, Sprinturf is a one-stop shop. Every job is in America; every investment dollar is in America. Our hard assets in the United States dedicated to turf exceed that of the other three major turf companies combined.
