

ORDINANCE NO. 18-0017

AN ORDINANCE OF THE CITY OF MANHATTAN BEACH AMENDING TITLE 10 OF THE MANHATTAN BEACH MUNICIPAL CODE, RELATED TO COMMERCIAL DEVELOPMENT STANDARDS WITHIN THE GENERAL COMMERCIAL (CG) ZONING DISTRICT LOCATED ALONG SEPULVEDA BOULEVARD

THE MANHATTAN BEACH CITY COUNCIL HEREBY ORDAINS AS FOLLOWS:

SECTION 1. On June____, 2018, the Planning Commission conducted a duly noticed public hearing recommended that the City Council adopt text amendments to Title 10 of the Municipal Code to amend the development standards for commercial properties along Sepulveda Boulevard as well as the Zoning Map incorporating the D8-Sepulveda Boulevard Overlay.

SECTION 2. On July 3, 2018 and July 17, 2018, the City Council held a duly noticed public hearing regarding the proposed Zoning Code Amendments.

SECTION 3. The proposed Zoning Code Amendments are consistent with the Manhattan Beach General Plan and implement the following General Plan Goals and Policies:

Land Use Element Goal LU-6: Maintain the viability of the commercial areas of Manhattan Beach.

Land Use Element Policy LU-6.2: Encourage a diverse mix of businesses that support the local tax base, are beneficial to residents, and support the economic needs of the community.

Land Use Element Policy LU-6.3: Recognize the need for a variety of commercial development types and designate areas appropriate for each. Encourage development proposals that meet the intent of these designations.

Land Use Element Policy LU-6.4: Recognize the unique qualities of mixed-use areas and balance the needs of both the commercial and residential uses.

Land Use Element Goal-8: Maintain Sepulveda Boulevard, Rosecrans Avenue, and the commercial areas of Manhattan Village as regional-serving commercial districts.

Land Use Element Policy LU-8.1: Ensure that applicable zoning regulations allow for commercial uses that serve a broad market area, including visitor-serving uses.

SECTION 4. The proposed Amendments have been prepared in accordance with the provisions of Title 7, Division 4, Section 65853, et seq., of the State of California Government Code.

SECTION 5. Municipal Code Section 10.16.020 is hereby amended in its entirety to read as follows:

Section 10.16.020 – CL, CC, CG, CD, CNE districts: land use regulations.

	CL	CC	CG	CD	CNE	Additional Regulations

Nonconforming uses						(H)
Mixed Use	U	-	L-25	U	U	

L-25 Mixed use allowed within the CG district is only allowed within the D8—Sepulveda Boulevard Corridor Overlay.

SECTION 6. Municipal Code Chapter 10.44 is hereby amended in its entirety to read as follows:

"Chapter 10.44 – D Design Overlay District

10.44.010 - Specific purpose and applicability.

The specific purpose of the D design overlay district is to provide a mechanism to establish specific development standards and review procedures for certain areas of the City with unique needs, consistent with General Plan policies. This will ensure that the low-profile image of the community is preserved and neighborhoods protected from adverse effects of noise and traffic. It also will prevent development that may be detrimental to these areas, such as buildings that affect the privacy of adjoining properties or increase shadows.

Eight subdistricts are established:

D1—Rosecrans Avenue, where higher fences in the front-yard setback area are needed to reduce traffic noise;

D2—11th Street, where limitations on building height and density are needed to minimize building bulk and buffer adjoining residences;

D3—Gaslamp neighborhood, where special design standards and review procedures are needed to preserve existing neighborhood character;

D4—Traffic noise impact areas, where higher fences are needed to reduce traffic noise;

D5—North end commercial, where special design standards are needed for the north end commercial area to accommodate additional residential development;

D6—Oak Avenue, where special design standards, landscaping and buffering requirements are needed to allow commercial use of property in a residential area adjacent to Sepulveda Boulevard;

D7—Longfellow Drive area, including residential lots in Tract 14274 located on Longfellow Drive, Ronda Drive, Terraza Place, Duncan Drive and Kuhn Drive, where a special minimum lot area requirement and restriction on subdivision is needed to preserve the character of the neighborhood, including views and privacy, and prevent unwanted impacts from increased traffic, bulk and crowding that would result from increased density.

D8—Sepulveda Boulevard Corridor Overlay, where more flexible development standards are needed in order to continue to promote desirable development, uses and economic vitality within the General Commercial (CG) zone. Only land uses listed as part of Section 10.44.040 (s) are eligible for flexible development standards. All land uses not listed under Section 10.44.040 (s) shall comply with all requirements contained within Chapter 10.16 of this title.

10.44.020 - Zoning map designator and overlay initiation.

- A. The D design overlay district may be combined with any zoning district. Each D overlay district shall be shown on the zoning map by adding a "-D" to the base district designator followed by the appropriate subdistrict number.
- B. A design overlay district may be initiated by the Planning Commission or City Council, or fifty-one percent (51%) of the property owners in the proposed overlay area and otherwise in accordance with applicable materials within Chapter 10.96, Amendments.

(Ord. No. 1832, Amended, 01/17/91; Ord. No. 1838, Renumbered, 07/05/91; Ord. No. 1891, Amended, 01/06/94)

10.44.030 - Land use and development regulations.

The land-use and development regulations applicable in a D district shall be as prescribed for the base zoning district with which it is combined unless modified by another overlay district, provided that the requirements of the schedule on the following page shall be in addition and shall govern where conflicts arise. The individual columns of the schedule prescribe basic requirements for each subdistrict; letters in parentheses or superscript refer to additional regulations following the schedule with cross-references as appropriate to other sections of this title.

(Ord. No. 1832, Amended, 01/17/91; Ord. No. 1838, Renumbered, 07/05/91)

10.44.040 - Building permits to conform to overlay district regulations.

Applications for building permits for projects within a D overlay district shall be accepted only if project plans are consistent with the development regulations of this chapter and with all other applicable requirements of this Code. The regulations imposed by this section shall apply to any new structures or improvements, intensification of use, or enlargement of an existing structure.

Where the site has multiple owners, the City may permit development on sites containing less than twenty-five thousand (25,000) square feet provided there is a conceptual plan for the whole site showing the relationships between existing and future buildings, landscaping, and the location of parking and tentative phasing of development. SECTION 8. SEVERABILITY. If any part of this Ordinance or its application is deemed invalid by a court of competent jurisdiction, the City Council intends that such invalidity will not affect the effectiveness of the remaining provisions or their application and, to this end, the provisions of this Ordinance are severable.

SECTION 9. SAVINGS CLAUSE. Neither the adoption of this Ordinance nor the repeal or amendment by this Ordinance of any ordinance or part or portion of any ordinance previously in effect in the City, or within the territory comprising the City, shall constitute a waiver of any license, fee or penalty or the penal provisions applicable to any violation of such ordinance

SECTION 10. CERTIFICATION. The City Clerk shall certify to the passage and adoption of this Ordinance and shall cause this Ordinance to be published within 15 days after its passage, in accordance with Section 36933 of the Government Code.
