

City of Manhattan Beach Sunshine Policy

1. PURPOSE

The City of Manhattan Beach (“City”) is committed to transparency, open government and providing the public with timely and wide-ranging access to its meetings, written records and information.

This Sunshine Policy is the culmination of the work initiated by the City’s Ad Hoc Open Government Subcommittee which was established in order to improve transparency, openness and accessibility. From 2011 to 2013, the Ad Hoc Open Government Subcommittee held multiple public input meetings to discuss many open government best practices. Through the research conducted, the Ad Hoc Open Government Subcommittee created and revised numerous Open Government Initiatives, and developed an Open Government Initiatives Matrix. In some instances, the City Council directed staff to go above and beyond the minimum requirements of the Ralph M. Brown Act (Brown Act). In other instances (e.g. Appendix A, No. 2), City Council directed staff to fully comply with the Brown Act.

The purpose of this policy is to compile the work of the Ad Hoc Open Government Subcommittee into one cohesive policy with the goal of ensuring the public has easier access to City government, so that they may be more informed about what their City is doing, and so that they may be involved in a more meaningful and knowledgeable way.

2. FINDINGS

The Manhattan Beach City Council finds as follows:

A. The Ralph M. Brown Act states: "The people of this State do not yield their sovereignty to the agencies which serve them."

B. It is the City’s duty to serve the public and to accommodate those who wish to obtain information about or participate in the process of making decisions by providing comment and input, prior to any official decision.

C. Elected City officials, commissions, boards, advisory bodies and other agencies of the City exist to conduct the people’s business. This policy is intended to assure that the deliberations of these bodies and the City’s operations are open to the public.

D. Each member of the public is afforded the following: the ability to attend City Council meetings and provided an opportunity to directly address the council “before or during” consideration of an agenda item. In those rare and unusual circumstances where the business of government may be conducted behind closed doors, those circumstances must be carefully and narrowly defined to prevent any abuse.

E. This policy is intended in part to clarify and supplement the Ralph M. Brown Act and the California Public Records Act to assure that the people of the City of Manhattan Beach can be fully informed and thereby retain control over the instruments of local government in their City.
