# Information Technology IS Master Plan

### ISMP Framework

- Technology Governance
  - Leadership, management overview
- Service Delivery
  - Robust customer technology support
- Infrastructure
  - Technology equipment, operating systems, software

- Security
  - Policies, standards, software tools (filtering, monitoring)
- Administration
  - Management of the technology
- Documentation
  - Development/maintenance of documentation on all tech activity
- Business Technology Applications/Projects

# Information Technology IS Master Plan

Adopted in April 2013 43 Total Projects

- FY 17/18 \*12 Projects Completed
- FY 16/17 \*15 Projects Completed
- FY 15/16 \*22 Projects Completed
- FY 14/15 \*20 Projects Completed
- FY 13/14 \*10 Projects Completed

### Total Projects Completed to Date: 79

\* listed at the end of the presentation

# Information Technology IS Master Plan Projects in Progress

Estimated Total Current Projects Cost \$3,440,328

# Information Technology IS Master Plan Projects Status Indicators

# The subsequent pages contain individual projects, their current timelines, and status.

- Project status will be reflected by the color indicators below:
  - Red: Serious issues whereby the project will probably be delayed or have significant budget overrun
  - Yellow: Potential issues with schedule and/or budget, but both can probably be saved with corrective actions
  - Green: On schedule, on budget, all good

# Fiber Master Plan (FMP)

#### Completed items:

Consulting RFP Released Oct. 2016

**Vendor Selection** 

Council Award April 2016

FMP Presented Oct. 2018

Pilot Design Services RFP Released Oct. 2018

**Vendor Selection** 

Council Award Nov. 2018

#### Upcoming items:

Design Development for FTTP Pilot

Construction Bid Release in Feb. 2019

Construction Cost / FMP Cost Comparison

Project Construction Overall Cost Pro-forma Update

City Fiber Network Cost Council Review &

Direction in March 2019

#### **Overall Status:**

**In Progress** 

**Project Cost: \$413,272** 

\$150,000 consulting services

\$263,272 B&J HBK design services

Utilized: \$73,200 (consulting services)

Q3 FY 15/16: Planning Q2 FY18/19 Council Study Session: Receive FMP & proceed with pilot design

Q4 FY15/16 – Q2 FY 16/17: Procurement

Q2 FY18/19

- Q3 FY18/19:
Pilot design,
construction RFP
release, FMP proforma cost update,
Council review &
direction

The Master Plan provides a framework and pro-forma estimate for the City to provide broadband municipal services. Public Works issued RFP for design services, made a selection and will bring results for fiber built bid back to Council for direction.

# OnBase by Hyland Document Management System (ongoing)

#### Completed items:

City Clerk Implementation & Conversion

Human Resources Scanned 1999-2012 Personnel

**Files** 

Departments Review & Budget of Document

Management (HR, Finance and Public Works)

4 Scanners Installations

2 Add'l Scanners Procurement

#### Upcoming items:

Deploy 2 Add'l Scanners

Upgrade Hyland OnBase

Departments' Docs Scanning

**Create Test/Dev Environment** 

**GIS** integration

#### **Overall Status:**

**In Progress** 

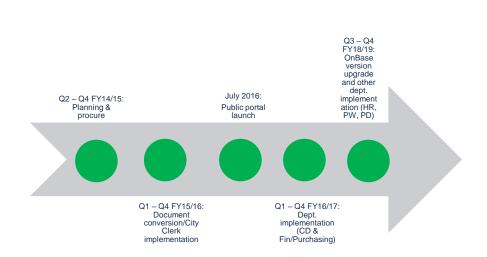

**Project Cost: \$382,500** 

\$175,500 licenses & services

\$77,000 prof. services, add'l modules, & scanners

\$130,000 departments' scanning services

Utilized: \$175,500 (licenses & services)

An enterprise content management system is used to capture, manage, preserve, and deliver City related content and documents. The project is ongoing as modules, departments, and processes are added for more streamlined and efficient service delivery.

# Mark43 Emergency Response System Police and Fire

### Completed items:

**Software Acquisition** 

Hardware Procurement

**RMS PD Project** 

**RMS PD Training** 

### Upcoming items:

RMS PD Project Acceptance

CAD PD Implementation in March 2019

Fire Implementation

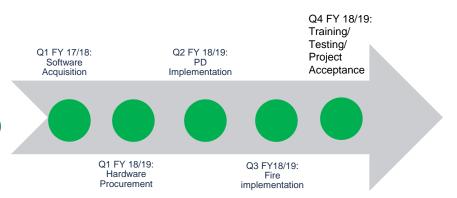

#### **Overall Status:**

**In Progress** 

**Project Cost: \$340,000** 

\$270,000 PD \$70,000 Fire

Utilized: \$150,000 (hardware, software)

Public safety platform for Records Management System (RMS) and tools to manage investigative cases, physical property and evidence including video, image, and audio content.

# iWater Water/Wastewater Asset Mgmt Software

### Completed items:

**Procurement** 

Project Kickoff Sept. 2018

### Upcoming items:

**Project Implementation** 

Training / Testing

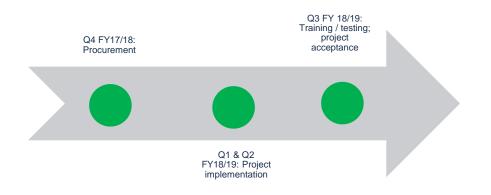

**Project Acceptance** 

### **Overall Status:**

**In Progress** 

Project Cost: \$42,250

Utilized: \$21,250

Using GIS platform, the system manages / generates service work for the City water and wastewater assets, provides preventative water and wastewater maintenance schedules and alerts, and digitizes water and wastewater operations.

# ID Badge & Proximity Security Access System

### Completed Items:

Software & Applicable Hardware Procurement

**ID Badge Template Creation** 

**Testing & User Training** 

**ID Badge Printing** 

Card Readers Deployment

#### Upcoming items:

**User Acceptance** 

Installation of Garage Access Control Arms

#### **Overall Status:**

**In Progress** 

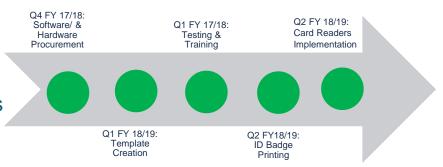

Project Cost: \$75,000

\$44,900 CH access control, card readers

\$25,000 Garage gate access

\$4,900 ID badge

Utilized: \$2,210 (ID badge)

ID badge and security access control management system to restrict or minimize the risk of unauthorized access protecting the City employees and the physical / logical assets within the organization.

# \*.Gov Domain Name Delegation

### Completed Items:

Request sent to GSA

City Council AdHoc Website

Committee Update

### Upcoming items:

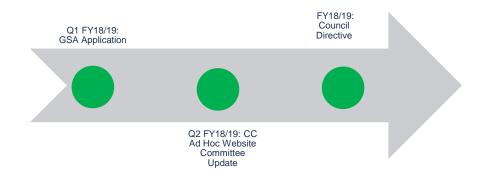

Council Direction

### **Overall Status:**

**In Progress** 

Project Cost: \$450/domain

Utilized: None at this time

Per the City Council direction, staff requested \*.gov domain name delegation for the City www.citymb.info site.

### City Website Refresh

### Current items:

Website Redesign Finding

### Upcoming items:

City Council Direction

Redesign Addendum (if approved)

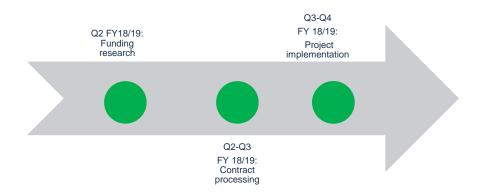

Project Implementation (if approved)

### **Overall Status:**

**In Progress** 

**Project Cost:** Free after service

credits

Ad Hoc Council Website Subcommittee requested to identify if there is funding to redesign the City website.

# Storage Area Network Replacement

### Current items:

RFP Issued

**Bids Received** 

### Upcoming items:

**Bids Review** 

City Council Award

**Project Implementation** 

Testing, User Acceptance, and

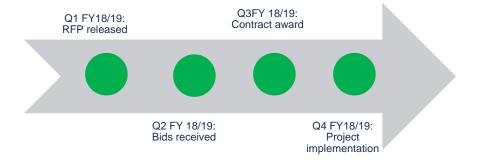

Training

#### **Overall Status:**

**In Progress** 

Project Cost: 357,976 (estimated)

Utilized: None at this time

FY 2018/2019 budgeted project for the replacement of the storage area network supporting the centralized management of the data storage and retrieval for critical City applications.

### **Backup Solution Replacement**

#### Current items:

RFP Issued

**Bids Received** 

### Upcoming items:

**Bids Review** 

City Council Award

**Project Implementation** 

Testing, User Acceptance, and

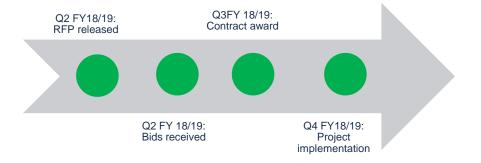

Training

#### **Overall Status:**

**In Progress** 

Project Cost: 51,240 (estimated)

Utilized: None at this time

The replacement of the backup solution is part of the approved FY 2018/2019 storage area network replacement. The platform manages the backup and recovery of the City data.

# Multifunction Devices (MFD) Replacement

### Current items:

**RFP** Issued

**Bids Received** 

### Upcoming items:

**Bids Review** 

City Council Award

**Project Implementation** 

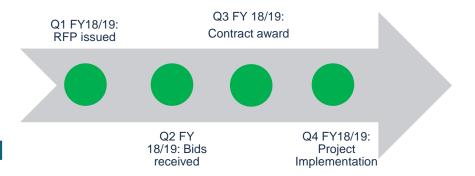

Testing, User Acceptance, and

**Training** 

### **Overall Status:**

**In Progress** 

Project Cost: Pending

There are 14 MFDs due for replacement at different City locations i.e. City Hall, Police Department, Fire Station 1, City Yard Administration Building, and Joslyn Center.

### IT Training Center / WAR Room

### Current items:

Room Redesign/Construction

A/C, Electrical & Lights

Carpet Installation

**Facility Seating Procurements** 

### Upcoming items:

**AV Equipment Procurement** 

**Printer Procurement** 

PCs and Networking

Room Divider Procurement and

Installation

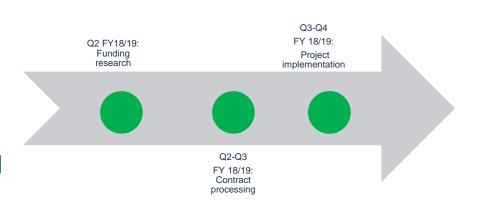

**Testing** 

### **Overall Status:**

**In Progress** 

**Project Cost: 34,640** 

Utilized: \$12,500

The facility is required to accommodate staff needs for skill development, training and testing related to enterprise and office applications.

# Tyler Munis Enterprise Resources Planning (ERP) Software

#### Completed items:

Nexlevel ERP Consultant Selected

Council Award July 2016

**ERP RFP Release April 2017** 

**ERP Solutions Review & Selection** 

Council Award July 2018

**Contract & Procurement Processing** 

Munis ERP Project Kickoff October 2018

#### Upcoming items:

**Chart of Accounts Development** 

Financials Phase 1 Implementation

Human Capital Mngmt Phase 2 Implementation

Business License Phase 3 Implementation

Utility Billing Phase 4 Implementation

**GIS** Integration

#### **Overall Status:**

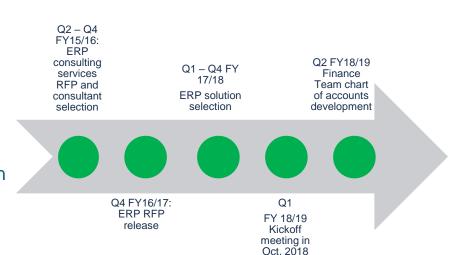

In Progress

Project Cost: \$1,193,000 software, services & 5

years maintenance

Utilized: \$189,900 (\$183,900 software licenses (85% of overall license cost); \$6,000 server implementation

& travel)

Manhattan Beach

ERP is a set of core functional applications that automates Finance and Human Resources business processes, integrates other back office functions and streamlines processes and information across the City.

### **EnerGov Permitting System**

### Completed Items:

Council Award to Accela Feb. 2014

Council Direction to Issue a new RFP

RFPs Released Jan. & Oct. 2017

Permitting Solutions Review & Selection

Council Award July 2018

**Contract & Procurement Processing** 

#### Upcoming items:

EnerGov Kickoff Meeting Jan. 2019

**Project Implementation** 

**GIS** integration

Training / Testing

**User Acceptance** 

#### **Overall Status:**

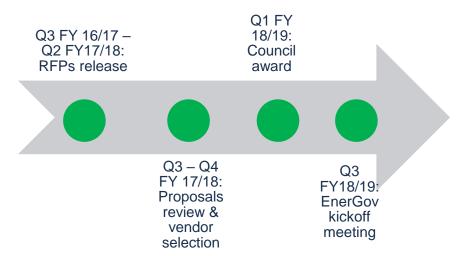

In Progress

Project Cost: \$550,000 software, services &

5 years maintenance

Utilized: \$156,000 software licenses (85% of overall

license cost)

Powerful platform that uses GIS to automate/connect critical processes, streamline workflow, and increase productivity for permitting (land management) system.

# Information Technology IS Master Plan Projects

On Hold or Not Started

# Work Order Management Software (tied to ERP)

Completed items:

Planning

Work order demonstrations

Upcoming items:

**ERP Implementation** 

**GIS** integration

**Overall Status:** 

On Hold

Cost:

Part of \$1,193,000 ERP purchase

Q1-4 FY15/16: Planning Project Status On Hold

# Applicant Tracking Software (Tied to ERP)

### Completed items:

Selection of ERP Consultant

**Upcoming items:** 

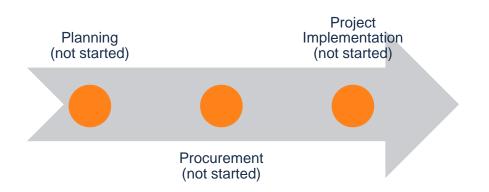

N/A

**Overall Status:** 

Not Started

Cost:

Part of \$1,193,000 ERP purchase

# Customer Satisfaction Survey Software

Completed items:

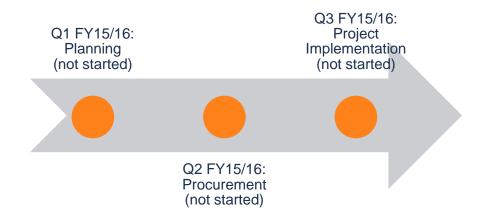

N/A

Upcoming items:

N/A

**Overall Status:** 

**Not Started** 

# Contract Management Software (Tied to ERP)

### Completed items:

Review of OnBase Capabilities

### Upcoming items:

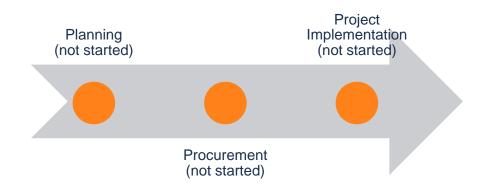

Tied to ERP

### **Overall Status:**

**Not Started** 

### Cost:

Part of \$1,193,000 ERP purchase

# Online Tennis Reservation Software

### Current items:

Continue to Research Potential

Solutions

### Upcoming items:

**Select Solution** 

**Budget Approval** 

**Procurement** 

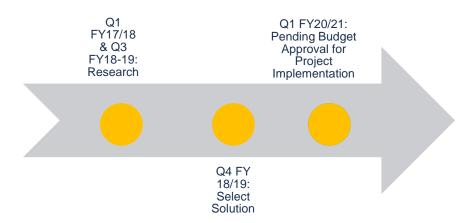

**Project Implementation** 

### **Overall Status:**

On Hold

### Cost:

Pending FY 20/21 Budget Approval

# Fire Mobile Data System (MDCs) Enhancements (Tied to Mark43)

### Completed items:

N/A

Upcoming items:

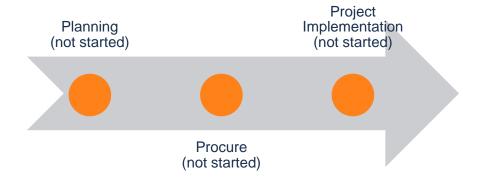

N/A

**Overall Status:** 

**Not Started** 

Cost:

Part of \$340,000 Mark43 procurement

# Fire Computer Aided Dispatch (CAD) Enhancements (Tied to Mark43)

Completed items:

N/A

Upcoming items:

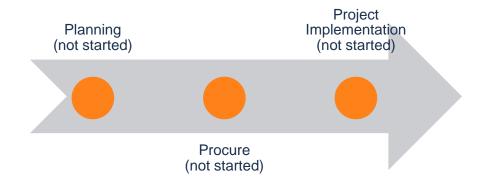

N/A

**Overall Status:** 

**Not Started** 

Cost:

Part of \$340,000 Mark43 procurement

# Information Technology IS Master Plan Past Completed Projects

### FY13/14

- \*Estimated Total Projects Cost \$738,400
- Technology Governance (\$11,700)
- Agenda Management Software (Legistar) (Part of \$56,100 Additions)
- Web Site Enhancements (\$55,700)
- Broadcast Enhancements (\$544,000):
  - Master Control Room
  - Council Chambers (High Definition)
  - Mobile Production
  - Public Safety Facility

### FY13/14 continued

- \*Estimated Total Projects Cost \$738,400
- Fire Smart Classrooms (\$75,900)
- Fire iPhone Replacements (12) (\$1,700)
- Financial System Enhancement: OpenGov Implementation (\$5,000)

### FY 14/15

- \*Estimated Total Projects Cost \$172,400
- Project Management Software (\$0)
- Crime Analysis Tools (\$0)
- Internal Affairs Software (\$13,000)

### FY14/15 continued

- \*Estimated Total Projects Cost \$172,400
- Internet Connectivity Upgrade (Redundancy) (Internap: \$50,300/yr)
- Remote Network Access (\$5,600)
- Broadcast Enhancements: Joslyn Center (part of \$544,000)
- Fire Scheduling Software (\$8,000)
- Management Services Temporary Relocation
- Civic Engagement: Peak Democracy (\$7,800 yearly)
- Granicus Internet Closed Caption Service (\$15,800)
- Oasis Audio Visual Upgrade (\$3,000)

### FY14/15 continued

- \*Estimated Total Projects Cost \$172,400
- Forensic Mapping System for Traffic Collisions and Crime Scenes (15,700)
- UPS Audit and Replacement (\$17,200)
- Parks and Rec Mobile Phones (13) (\$1,900)
- Coin Room Surveillance
- Telemedicine Communications (\$12,600)
- PD Surveillance Pelco Replacement (\$1,800)
- Mira Costa Swim Office Infrastructure (\$17,800)

### FY14/15 continued

- \*Estimated Total Projects Cost \$172,400
- Broadcast Live Feed on Lobby Television and Council Chambers Conference Room (\$1,900)
- GIS Expansion: Elections Map (\$0)

### FY15/16

- \*Estimated Total Projects Cost \$611,400
- Fire Scan-Able First Aid Reports/Field Data Collection System (Electronic Paramedic Care Report) (ePCR) (\$37,900)

- \*Estimated Total Projects Cost \$611,400
- Emergency Operation Center
   Enhancements (Department Operations Center) (\$19,700)
- Conference Rooms Equipment Upgrade (6) (\$15,900)
- Financial System Enhancements: Tyler Cashier Implementation (\$60,000)
- Police Time Reporting Software (\$12,700)
- Fire iPad Deployments (16) (\$12,700)

- \*Estimated Total Projects Cost \$611,400
- Fleet Management Upgrade (\$9,200)
- Management Services Relocation
- Public Works Dual Monitors (29) (\$9,500)
- Public Works iPhone (23) (\$2,600) (and iPad (6) (\$5,600) Deployments (\$8,200)
- Jail Door System Replacement (\$18,800)
- Parks and Rec iPhone/Smartphone Deployments (19) (\$2,200)

- \*Estimated Total Projects Cost \$611,400
- Police Body Worn Cameras (\$32,100)
- Public Records Request Solution (\$6,000)
- Upgraded Public Wi-Fi Capabilities (\$15,400)
  - Joslyn Center
  - Council Chambers
  - Public Safety Facility

- \*Estimated Total Projects Cost \$611,400
- New Public Wi-Fi Capabilities (part of \$15,400 Public Wi-Fi purchase)
  - Manhattan Heights
  - City Yard Training Room
  - Manhattan Beach Arts Center
- Telephone System Replacement (\$314,200)
- Fuel Management Upgrade (\$4,500)

- \*Estimated Total Projects Cost \$611,400
- Joslyn Center Audio Video Enhancements (\$15,500)
- Network Switch Replacements (\$8,800)
- Granicus Mobile Encoder (\$8,100)

### FY 16/17

- \*Estimated Total Projects Cost \$167,500
- Campaign Finance Disclosure Solution (\$6,500)
- Document Management System Upgrade City Clerks Office (part of \$175,500)
- Dial-A-Ride Software Enhancements (\$24,500)
- Public Safety Conference Room Audio Enhancements (\$14,800)
- MBInsite City Intranet (\$2,400)
- City Homepage

### FY 16/17 continued

- \*Estimated Total Projects Cost \$167,500
- Police Proximity Software Upgrade (\$5,400)
- Police Proximity Solution Audit and Remediation (\$3,200)
- Wireless Access Points (\$2,200)
  - City Yard Training Room
  - Dial-A-Ride
- AB1149 LogRhythm Implementation (\$49,600)
- Form 700 Statement of Economic Interest Reporting Software (part of \$6,500 Campaign Disclosure purchase)

# FY 16/17 continued \*Estimated Total Projects Cost \$167,500

- Social Media WorkPlace (\$7,200 est. yearly cost)
- Internet Connectivity / Redundancy Upgrade (\$46,800)
- Agenda Management Solution
  - RFI Proposals Reviewed Resulted in No Action
- Broadcast Contract Services (\$49,500)
- Police Mobile Fingerprint Identification System (\$0)

### FY 17/18

- \*Estimated Total Projects Cost \$495,700
- Broadcast and Audio/Video Upgrades
  - Standard Def to High Def Broadcast Upgrade (\$8,900)
  - Closed Caption Service Upgrade (\$5,200)
  - Public Safety Conference Room
    - Upgraded Projectors and AV Controller (\$30,300)
    - Projector Screen Replacements (\$4,700)
  - Joslyn Center
    - Upgraded Broadcast Lighting (\$1,400)
    - Cable Management and Infrastructure Upgrades (\$1,000)

### FY 17/18

- \*Estimated Total Projects Cost \$495,700
- Document Management System Upgrade Community Development (\$21,400)
- SCADA Infrastructure Upgrades
- Wide Area Network Expansion Wireless Mesh (\$251,000)
- Wide Area Network Expansion and Fail Over (City Yard to Fire Station 2) (Frontier \$46,800/year; Hardware: \$6,200)

### FY 17/18

- \*Estimated Total Project Cost \$495,700
- AB 1149 Compliance (\$99,500 completed procurements)
- Email Encryption (\$19,300 completed procurements)
