Subject: Re: Tent

Dear City Council,

I have lived at 1504 Highland Ave, 38 years and would appreciate keeping my view. The canopy/canopies on the roof of 1419 Highland block that view. I would appreciate a limit on height to not block my view and a limit to time of removal if up for roof events temporarily. I have no problem with a single story office at the site. Thanks in advance for your help. Tony
