**Note: Building Official and Community Development Director have the discretion to charge time and materials for any project considered outside the scope of the projects listed above.**

\*Production Homes are charged full fee for initial plan, and 25% of plan check fee for additional plans. Inspection fees are not discounted.

\*\*Foundation only is charged as 10% of the building permit fee.

\*\*\* Plan check and permit fees calculated through this study are in relation to requirements imposed by the California Building Code (CBC). The CBC dictates the types of development projects and applications, which require different permits. The plan check and inspection fees are to review those projects and applications to ensure conformance with those building code requirements.
