RE: Residence Inn, 1700 N. Sepulveda Blvd., Manhattan Beach 90266(the "Hotel")

Dear Mr. Barrow:

We are in receipt of your letter dated September 11, 2020 and wanted to let you know that we greatly appreciate you taking the time to reach out to us following our meeting with Lieutenant Sabosky and Captain Eichenlaub last week. Both officers offered helpful suggestions to further enhance the security measures we have already put into place at the Residence Inn Manhattan Beach hotel. As noted during the meeting, the hotel had already implemented several enhancements at the property to deter criminal activity and will continue to evaluate whether additional measures are needed.

We appreciate your support and the support of the local Manhattan Beach Police Department and look forward to a continued partnership going forward.

If you have any further questions, please do not hesitate to reach out to the Hotel's General Manager, Michael Valkos at michael.valkos@residenceinnmb.com or (310) 421-3100.
