File #: 20-0310, **Version:** 1

TO:

Honorable Mayor and Members of the City Council

THROUGH:

Bruce Moe, City Manager

FROM:

Stephanie Katsouleas, Public Works Director
Carrie Tai, Community Development Director

SUBJECT:

Consideration of a Resolution Authorizing the City to Submit Amendments to Manhattan Beach Municipal Code Chapter 7.36 to the California Coastal Commission for Local Coastal Plan Amendment Certification (Public Works Director Katsouleas and Community Development Director Tai).

APPROVE RESOLUTION NO. 20-0127

RECOMMENDATION:

Staff recommends that City Council adopt Resolution No. 20-0127 authorizing staff to submit the recently adopted amendments to Chapter 7.36 - Private Use of the Public Right of Way - to the California Coastal Commission (CCC) for Local Coastal Plan (LCP) Amendment certification.

FISCAL IMPLICATIONS:

There are no fiscal implications by adopting the attached resolution.

BACKGROUND:

On July 7, 2020, City Council introduced Ordinance No. 20-0010 amending Chapter 7.36 - Private Use of the Public Right of Way of the Manhattan Beach Municipal Code (Code), to refine standards pertaining to the private use of the public right-of-way. After conducting a second reading, City Council adopted Ordinance No. 20-0010 on July 21, 2020.

DISCUSSION:

In order for the changes approved to Chapter 7.36 to become effective in the Coastal Zone, the City's LCP must be amended. A resolution authorizing staff to submit the amendments to the CCC is attached for Council consideration. If Resolution No. 20-0127 is approved, staff will submit the required documentation to the CCC. Once approved by the CCC, amendments to Chapter 7.36 will become effective in the Coastal Zone.

PUBLIC OUTREACH:

The introduction and adoption of Ordinance No. 20-0010, as well as consideration of this Resolution, have been conducted at duly noticed City Council meetings.

ENVIRONMENTAL REVIEW:

The City reviewed the Code amendments for compliance with the California Environmental Quality Act (CEQA) prior to their adoption and determined that the amendments are exempt from the California Environmental Quality Act (CEQA) requirements pursuant to CEQA guidelines Section 15061(b)(3) because it can be seen with certainty that the amendments will not have the potential for any impacts on the environment. The adoption of this transmittal resolution is not a "Project" as defined under Section 15378 of the State CEQA Guidelines; therefore, pursuant to Section 15060(c) (3) of the State CEQA Guidelines the activity is not subject to CEQA. Thus, no additional environmental review is necessary.

LEGAL REVIEW:

The City Attorney has reviewed this report and has determined that no further legal analysis is necessary.
