SUBJECT:
Conduct Public Hearing Regarding One-Year Review of Use Permit as Required by City Council Resolution No. 18-0075 for an Existing Restaurant/Bar and Consider a Request to Amend the Use Permit to Extend Operating Hours and Other Conditions at 900 Manhattan Avenue (900 Club/Downstairs Bar) (Community Development Director McIntosh).
a) **CONDUCT PUBLIC HEARING**
b) **DISCUSS AND PROVIDE DIRECTION**

RECOMMENDATION:
Staff recommends that the City Council conduct the public hearing, review the existing use permit for compliance with the conditions, consider amendments proposed by applicant, and provide direction to staff. Staff does not recommend granting any additional entitlements as requested by the applicant until outstanding issues of non-compliance are addressed.

FISCAL IMPLICATIONS:

There are no direct fiscal implications associated with the recommended action.

BACKGROUND:

In 1995, a Use Permit was approved for a Restaurant/Bar at 900 Manhattan Avenue. In 2014, due to a series of complaints and public safety concerns at the location, a Use Permit Revocation process was initiated. This resulted in a number of conditions imposed on the two existing businesses, the 900 Club and the Red Room (now Downstairs Bar), to address issues that included the use of the back door, noise, after-hours operations, unpermitted special events, and nuisance issues, such as loitering, unruliness, and boisterous activities outside of the business. These conditions are contained in City Council Resolution No. 14-0063 (Attached). Public hearings were held in 2014, 2015, 2017, and 2018 related to review of the Use Permit and condition changes to business operations requested by the business owner. Unless modified by Resolution No. 18-0075 (discussed immediately below) the conditions in Resolution No. 14-0063 remain unchanged and are still in effect.

On June 5, 2018, the City Council adopted Resolution No. 18-0075, conditionally approving: (1) an additional one hour of operation for the 900 Club (upstairs only) on Thursday nights from 12:00 midnight to 1:00 AM; and (2) an increase in the number of yearly special events to 24. The ten conditions include physical alterations to the building and a one-year review “for the purpose of reviewing the subject Use Permit Amendment for compliance with all conditions.” The Council retained jurisdiction to conduct the one year review (and, depending on its direction tonight, may want to further retain jurisdiction). See attached City Council staff report from May 1, 2018 for further detail. A writ of mandate challenging the Council decision adopting Resolution No. 18-0075 has been filed by Donald McPherson and is scheduled to be heard on November 12, 2019.

DISCUSSION:

Condition No. 20 of Resolution No. 18-0075 requires a one year review of the existing Use Permit Amendment for the 900 Club/Downstairs Bar. Conditions in Resolution No. 18-0075 modified some of the original conditions in Resolution No. 14-0063, as identified on the attached chart. Conditions of approval specifically addressed past neighbor complaints regarding noise from amplified sound and patrons of the business, and related impacts.

Staff Inspection

The Code Enforcement officer conducted two inspections one on Saturday, June 1, 2019, and a second on Thursday, June 6, 2019, both starting at 10:00 PM. Planning staff also did a follow up inspection during daytime hours to review site conditions. The inspections indicated that certain conditions are not being met. A number of conditions, including hours of operation, closing procedures, last call for food and drinks, and policing of the property by business operator representatives are difficult to verify, unless a complaint is received. The Police Department received six calls/complaints between September 06, 2018 and June 16, 2019 regarding noise, loud music, one arrest, door open on Bayview Drive and no security guard on site.

Compliance with Conditions Contained in Resolution No. 18-0075

The applicant has NOT shown compliance, or only partial compliance, with conditions **1, 2, 3, 4, 5, 6, 7 and 8**. Following is a summary of staff’s findings for each condition:

Applicant Request

The applicant is asking to amend the following conditions in Resolution No. 14-0063 and Resolution No. 18-0075 (Attached):

- 1) Extend operating hours by one hour, to 1:00 AM on Thursdays, Downstairs only.
(Resolution No. 18-0075, Condition No. 1)
- 2) Request to remove the security guard on Thursday nights.
(Resolution No. 14-0063, Condition No. 3)
- 3) Request to remove written notification of immediate residents prior to entertainment/special events.
(Restated in Resolution No. 18-0075, Condition No. 3- No change from Resolution No. 14-0063)

POLICY OPTIONS:

After the City Council conducts the review of the Use Permit Amendment and considers the applicant's request, the City Council may take one of the following actions:

OPTION # 1:

Deny applicant's request related to hours, security guard and noticing the neighbors for entertainment/special events and continue enforcing Resolution No. 14-0063 and Resolution No. 18-0075 with no changes.

OPTION # 2:

Direct staff to return with a draft Resolution with additional or revised conditions at a future meeting.

OPTION # 3:

Initiate Revocation hearing process due to non-compliance with conditions.

CONCLUSION:

The applicant has not complied with the majority of the conditions in Resolution No. 18-0075, and the Police Department has responded to several complaints with violation of conditions. Therefore, staff has concerns about future compliance and modification of the current conditions and would not recommend granting the applicant's request until outstanding issues of non-compliance are addressed.

PUBLIC OUTREACH:

A public notice was published in the Beach Reporter on June 20, 2019, and mailed to property owners within 500 feet on June 18, 2019.

ENVIRONMENTAL REVIEW:

In accordance with the provisions of the California Environmental Quality Act, the Community Development Department found that the subject project would not have a significant effect on the environment because there is no expansion of the use and therefore exempt per Section 15301, Class 1.

LEGAL REVIEW:

The City Attorney has reviewed this report and determined that no additional legal analysis is

necessary.
