Schedule of Demands:

Investment Portfolio:
Detailed Investment reports are provided to the Finance Subcommittee with summary reporting to City Council. The month end portfolio includes a certification by the Finance Director that all investments comply with established Investment Policies (or with Finance Subcommittee approved exceptions), and there is sufficient liquidity to support projected expenditures.

Month End Report:
This package includes summary level financial information for the month ending May 31, 2021. This report marks the eleventh month of Fiscal Year 2020-2021 and reflects the annual budget adopted by City Council**.**

The report provides monthly and year-to-date activity for all funds and departments presenting a snapshot of budget performance. A report highlighting the performance of key revenue sources is also included.

After analysis, staff determined that public outreach was not required for this issue.

ENVIRONMENTAL REVIEW:
