### **BACKGROUND:**

Finance staff prepares a variety of financial reports for City Council and the Finance Subcommittee. A brief discussion of the attached report follows.

### **DISCUSSION:**

#### Schedule of Demands:

Every week staff prepares a comprehensive listing of all disbursements with staff certification that the expenditure transactions listed have been reviewed and are within budgeted appropriations.

#### Investment Portfolio:

Detailed Investment reports are provided to the Finance Subcommittee with summary reporting to City Council. The month end portfolio includes a certification by the Finance Director that all investments comply with established Investment Policies (or with Finance Subcommittee approved exceptions), and there is sufficient liquidity to support projected expenditures.

#### Month End Report:

This package includes summary level financial information for the month ending June 30, 2021. This report marks the twelfth month of fiscal year 2020-2021 and reflects the annual budget adopted by City Council. **It is important to note that these results are preliminary and are pre-audit. The final year-end results will be provided when the audit has been completed.**

The report provides monthly and year-to-date activity for all funds and departments presenting a snapshot of budget performance. A report highlighting the performance of key revenue sources is also included.

### **PUBLIC OUTREACH:**

After analysis, staff determined that public outreach was not required for this issue.

### **ENVIRONMENTAL REVIEW:**

The City has reviewed the proposed activity for compliance with the California Environmental Quality Act (CEQA) and has determined that the activity is not a "Project" as defined under Section 15378 of the State CEQA Guidelines; therefore, pursuant to Section 15060(c)(3) of the State CEQA Guidelines the activity is not subject to CEQA. Thus, no environmental review is necessary.
