File #: 21-0232, **Version:** 1

TO:

Honorable Mayor and Members of the City Council

THROUGH:

Bruce Moe, City Manager

FROM:

Derrick Abell, Chief of Police

Julie Dahlgren, Senior Management Analyst

SUBJECT:

Consideration of a Resolution Approving a Sub-Recipient Agreement with Los Angeles County Regarding the State Homeland Security Program and Authorizing Acceptance of a Grant in the Amount of \$51,789 for the Purchase of Equipment to Enhance Regional Communication Capabilities (Police Chief Abell).

a) ADOPT RESOLUTION NO. 21-0070

b) APPROPRIATE FUNDS

RECOMMENDATION:

Adopt Resolution No. 21-0070 accepting the 2019 State Homeland Security Program (SHSP) grant award in the amount of \$51,789 and authorize an appropriation of \$51,789 from unreserved General Fund moneys, which will later be reimbursed by grant funds.

FISCAL IMPLICATIONS:

These are not budgeted items; however, the purchases will be fully reimbursed by the grant. The City must first purchase the state-approved equipment and then submit a request for reimbursement. As a result, an appropriation of \$51,789 from available unreserved General Fund moneys is necessary. The \$51,789 will be fully reimbursed by State Homeland Security Program grant funds. There is no funding match requirement.

BACKGROUND:

The United States Department of Homeland Security provides grant funding to assist state and local governments in protecting against, responding to, and recovering from terrorist attacks and natural disasters through the State Homeland Security Program (SHSP). Since 2001, the City has been awarded SHSP grant funds to purchase equipment and conduct training for first responders.

DISCUSSION:

The grant funded expenditures are pre-approved by the State and are specifically allocated for the purchase of equipment to enhance communications and interoperability. The performance period of the grant ends February 28, 2022.

The grant is administered locally by the County of Los Angeles. The attached Agreement between

the City of Manhattan Beach and the County of Los Angeles outlines the requirements of the grant and the guidelines for reimbursement of eligible expenses.

PUBLIC OUTREACH:

After analysis, staff determined that public outreach was not required.

ENVIRONMENTAL REVIEW:

The City has reviewed the proposed activity for compliance with the California Environmental Quality Act (CEQA) and has determined that the activity is not a "Project" as defined under Section 15378 of the State CEQA Guidelines; therefore, pursuant to Section 15060(c)(3) of the State CEQA Guidelines the activity is not subject to CEQA. Thus, no environmental review is necessary.

LEGAL REVIEW:

The City Attorney has reviewed the grant agreement and approved it as to form.
