**DISCUSSION:**

Schedule of Demands:

Every week staff prepares a comprehensive listing of all disbursements with staff certification that the expenditure transactions listed have been reviewed and are within budgeted appropriations.

Investment Portfolio:

Detailed Investment reports are provided to the Finance Subcommittee with summary reporting to

City Council. The month end portfolio includes a certification by the Finance Director that all investments comply with established Investment Policies (or with Finance Subcommittee approved exceptions), and there is sufficient liquidity to support projected expenditures.

**Month End Report:**

This package includes summary level financial information for the month ending November 30, 2022. This report marks the fifth month of fiscal year 2022-2023 and reflects the annual budget adopted by City Council. The report provides monthly and year-to-date activity for all funds and departments presenting a snapshot of budget performance. A report highlighting the performance of key revenue sources is also included.

Lastly, a summary of balance sheet accounts managed by the City is included to provide the balances as of November 30, 2022.
